Sponsored by Connecticut Department of Children and Families

GAIN-I CLINICAL INTERPRETATION TRAINING

REGISTER NOW!

WHO SHOULD ATTEND:

Supervisors

GAIN-I Administrators

GAIN-I Site Interviewers

June 24th and June 25th **FREE TRAINING!**

Enhance your skills for integrating the GAIN-I into case summaries, treatment plans, and referral decisions. Learn and practice where to look in the GAIN-I to check for under-reporting, over-reporting and symptom suppression. Explore how the new GAIN-I reports are structured and why it is important to add your clinical impressions. Supervisors: Learn to integrate the GAIN-I into clinical supervision.

TRAINING DETAILS
