Practice regarding Children with potential developmental delays
Report prepared pursuant to C.G.S. § 17a-106e (*§ 154 of Public Act 13-234*)
Report time period: 10/1/2013-6/30/14

1. The number of children 36 months of age or younger within the state who have been substantiated as victims of abuse or neglect within the preceding 8 months: **1,773** (DCF data)

2. The number of children 36 months or younger within the state who have been served through the department's differential response program within the preceding 8 months: **Per Legislation: Required as of 7/1/15**

3. The number of children who were screened for developmental delays pursuant to subsection (a) of this section by the department or by a provider contracted by the department within the preceding 8 months: **729** (DCF data)
   Number of children referred by DCF to Help Me Grow for screening: **300** (HMG data)

4. The number of children in subdivisions (1), referred for evaluation under Birth-2-3 program within the preceding 8 months, the number of such children found eligible for services under such program and the services for which such children were found eligible under such program: **Referred 313 Found eligible: 93** (DDS data)

5. The number of children described in subdivision (1) of this subsection receiving developmental support services through Birth-2-3 program or through a provider contracted by the department within the preceding 8 months:

DDS Data about Children Served by Birth to Three – FY 14 First Half

Referred between 7/1/13 and 12/31/13

a. number of children referred by DCF and the concerns associated with the referrals;
b. number of children referred by DCF foster families and the concerns associated with those referrals;

	Referred by	
	DCF	**DCF Foster Family**
Unduplicated Count	**307**	6
Referrals concerns	**DCF**	**DCF Foster Family**
Adaptive	27	2
Autism	1	0
Cognitive	8	0
Communication	134	4
Health	44	1
Hearing	2	0
Motor	82	2

	Referred by	
	DCF	**DCF Foster Family**
Other	18	0
Social/Emotional	45	2
Vision	2	0

Referral sources often have more than one referral concern

Determined Eligible between 7/1/13 and 12/31/13

c. results of the determination of eligibility (i.e., whether the child was eligible due to a diagnosed condition, a developmental delay of 2 standard deviations in one or more developmental areas, or a delay of 1.5 standard deviations in two or more areas of development);

How Eligible	Count
diagnosed condition	2
-2 SD in at least 1 area	73
-1.5 in at least 2 areas	14
clinical opinion	4

Last IFSP between 7/1/13 and 12/31/13

d. number of eligible children receiving services from each type of discipline based on each child's last IFSP during that period;

249 Children	EI Service						
Delivered By	Audiological Management	Consul -tation	EI Visit	Family Training	Teaming w/ Family	Vision Services	Total
Audiologist	2						2
