Provider Profile

Established in 1989, Key Human Services, Inc. (Key) expands Keystone's vision of community-based support programs to the State of Connecticut. Key's purpose and mission is to act as a change agent for people with disabilities, creating opportunities that encourage growth and meaningful life choices while assisting persons in finding home, health, friends, work, and presence in their communities. With support from the Department of Developmental Services, the Department of Social Services, and the Department of Children and Families of the State of Connecticut, Key provides a selection of services and supports, such as community living arrangements (group homes), individual supports, nursing services, and Birth to Three, to people with disabilities.
