Cancellation of IRP Waiver for the State of Connecticut

On October 28, 2012, the State of Connecticut Commissioner of Motor Vehicles authorized a temporary waiver of IRP requirements for out-of-state vehicles coming into Connecticut to provide relief in response to Hurricane Sandy. This IRP waiver followed a Declaration of Civil Preparedness Emergency issued by Connecticut Governor Dannel P. Malloy, and was to be effective until further notice.

Notice is hereby given that the IRP waiver will remain in effect through the close of business at the State of Connecticut Department of Motor Vehicles on Friday, November 30, 2012. After such date and time, the IRP waiver is cancelled and all IRP requirements will be enforced in the State of Connecticut.

Dated this 28th day of November, 2012
