ADDENDUM NUMBER 4

Issue Date: 9/1/16

Question:

I'm a little confused on exterior painting spec. It says to apply 1 coat of Encapsulating Primer. The lead documents on refer to the C Side of house (rear). Is the lead work now to Encapsulate the entire exterior of house? Please clarify.

Answer:

The Lead scope is the Lead scope and the painting scope is the painting scope. They are two separate scopes. We spec this type of primer for many reasons other than environmental.
