Compendium Program: Administrative Segregation: Controlling your Anger

Gender Specific for:MALE; RT Program Code: 0

Open Close:False, Session Group:True, Session Numbers: 10, Evidence Based:False

Description:

This is the second in a series of groups used in the Administrative Segregation (A.S.) Program. An essential capacity these inmates need to develop is to be able to deal with angry feelings without resorting to violence. This class is designed to help change thinking and attitudes which promote violence and to develop skills to deal with anger without violence.

Compendium Program: Administrative Segregation: How to Do Your Bid

Gender Specific for:MALE; RT Program Code: 0

Open Close:False, Session Group:True, Session Numbers: 2, Evidence Based:False

Description:

This is a group designed for inmates on Administrative Segregation status. One of the problems which many inmates have in general, and A.S. inmates have in particular, is that they lack the skills necessary for problem solving. The first part of this class is designed to help inmates learn that not all problems can be solved and to assist them in approaching problems so as to (1) respond in the best way to the presented problem and (2) not to make the situation worse. In the second part of the class the inmates review a videotape that shows inmates who have completed a restrictive housing program. In that video the inmates discuss what they believe is necessary in order to "do your bid." The video serves as a stimulus for inmates to discuss how it is possible to live in a prison environment without getting into trouble.

Compendium Program: Advanced TREM

Gender Specific for:FEMALE; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Advanced TREM (Trauma Recovery and Empowerment Model) is a gender specific, trauma-informed recovery group that meets for 16 weeks. It constitutes Phase Three of the CHANGE program which is a series of mental health, trauma informed and gender responsive programs. Therefore it is assumed that all participants have completed TARGET (Trauma Affect Regulation Guide for Education and Treatment), Phase One and TREM, Phase Two. The group is designed to expound on concepts learned in TREM by providing a safe group for female offenders to learn more about trauma and to continue to share their studies.

Compendium Program: Alcohol and Drug Recovery Centers, Inc. (ADRC)/ Intensive Residential

Gender Specific for:MALE; RT Program Code: 0

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The Intensive Residential program consists of 28 beds and involves 14 to 30 days of intensive residential treatment within a therapeutic community. Clients are accepted in the program regardless of their ability to pay.

Services:
These include continuing recovery counseling sessions, psycho education, family support, education and intervention, and are provided to clients as follows:
-Individual sessions - minimally twice weekly
-Therapy groups - once daily
-Other groups/meetings - three times per day
-Gender groups - twice per week
-Psycho educational groups - twice per week
Services are delivered within a Multilevel Service Delivery Model consisting of the following Specialty Tracts:
-A comprehensive Treatment Tract for the Latino client which is offered in Spanish, taking into account cultural and ethnic elements of the Puerto Rican tradition and other Latino heritages.
-A comprehensive Treatment Tract for Women.
-A comprehensive Treatment Tract for the English-speaking Caucasian and African-American males.

Compendium Program: Alcohol and Drug Recovery Centers, Inc. (ADRC)/ Intermediate Residential

Gender Specific for:MALE; RT Program Code: 0

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The Intermediate Treatment Program consists of 10 beds and involves up to 90 days of treatment. This program is open to individuals who have completed an Intensive Phase of Treatment or who otherwise meet admission criteria. Client referrals to this program must meet the Connecticut Client Placement Criteria III.5 level of care. No client will be rejected because of an inability to pay. Goals: To continue to build on the gains of Intensive Treatment and emphasize:

Services:
The Intermediate Residential Program has established community linkages for vocational rehabilitation, education, job readiness and employment opportunities, housing, entitlement/benefits, medical follow-ups, etc. Daytime activities are primarily reserved for such appointments. Since specific programming for this level occurs primarily in the evenings, clients are expected to participate in Intensive program activities if they have no outside appointments. This also serves as a way to reinforce concepts previously presented and an opportunity for them to support clients in that phase. Specific Intermediate Program services include -
-Individual sessions - minimally once per week
-Therapy groups - once daily
-Other groups/meetings - twice per week
-Gender groups - twice per week
-Psycho education - once daily

Open Close:False, Session Group:False, Session Numbers: 5, Evidence Based:False

Description:

The goal of this Employment Readiness Workshop is to provide resources and materials that will assist returning citizens (inmates) with job search strategies. This 4-5 session workshop will cover tools, suggestions and tips with various steps in your employment search process. In each of these sessions participants, will work on various activities and exercises designed to assist in their job search strategies. There are assignments that are provided to prepare these individuals for the next session. The topics that are covered over the 4-5 session include: Personality Assessment, Job Description Review, Cover Letter, Resume, Completing Application and Interview Questions and Strategies. There are many opportunities to answer and discuss concerns and questions as they relate to (inmates, ex-offenders) participant employment application. There are opportunities for mock interviews and to discuss interview questions and especially tips on answering the question regarding their background. Lastly, participants are provided with an overview of the resources and services available at the American Job Center.

Gender Specific for:MALE; RT Program Code: AF

Open Close:True, Session Group:False, Session Numbers: 16, Evidence Based:False

Description:

This program is offered to individuals that have experienced some trauma in their lives. The lesson plans address male role models, emotional and relationship patterns as well as various abuse and its relationship to psych symptoms as well as substance abuse. This program can be modified to work with identified trauma survivors who have also been in the military. The traumatic event could be pre/post military as well as taking place during their military time. This group is a psycho-educational skill building group with a goal of having individuals explore how their trauma exposure can be impacting current life events.

Compendium Program: Artists In Residence-Community Partners in Action (CPA)

Gender Specific for:BOTH; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Accomplished artists provide inmates with an introduction to the basic principles of fine art. Volunteer Artists-In-Residence within correctional institutions bring art behind bars and serve to broaden inmates' abilities to express themselves by developing talents or skills in drawing, painting, music and creative writing. Inmate artwork is collected annually by a Prison Art Program Curator from Hartford's Community Partners in Action (CPA) which operates this service solely through the support of grants from local foundations, corporations and the Connecticut Commission on the Arts. This art collection is arranged for exhibition in community spaces across the state. The CPA also publishes an annual journal of arts in correction serving to bring creative writing, poetry and visual art produced by inmates to the broader community.

Compendium Program: Behavioral Health Recovery Program-BHRP-Middletown

Gender Specific for:BOTH; RT Program Code: 0

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Recognizing that individuals receiving behavioral health treatment are more likely to remain engaged in treatment when their basic recovery support needs are met, the Behavioral Health Recovery Program (BHRP) provides financial assistance to HUSKY D/Medicaid for Low Income Adults (LIA) recipients who are temporarily unemployed and in need of recovery supports that cannot be met by other community resources. These supports include recovery housing, independent housing, bus passes, food, clothing, and personal care items. The program also offers coverage for intensive and long-term substance abuse residential treatment, when those services are determined to be medically necessary.
The Department of Mental Health has contracted with ABH as the administrative service organization for the BHRP. ABH reviews and authorizes requests by treatment providers and vendors for the provision of these services. ABH is also responsible for utilization management, claims processing and payment, member services, and provider network management.

Compendium Program: Beyond Violence: A Prevention Program for Women

Gender Specific for:FEMALE; RT Program Code: BV

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The curriculum uses a Social-Ecological Model to understand and contextualize violence. This four-level model of violence prevention considers the complex interplay between individual, relationship, community, and societal factors. It addresses the factors that put people at risk for experiencing or perpetrating violence. This model is used by the Centers for Disease Control and Prevention and was used in the Prison Rape Elimination ACT research on women in prison.

Compendium Program: Chemical Abuse Service Agency, Inc. (CASA) - New Haven - East Street

Gender Specific for:MALE; RT Program Code: 0

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The Medication Assisted Treatment (MAT) at MAAS offers treatment for opioid addiction, including the use of both methadone and buprenorphine. The MAAS MAT program utilizes a combination of medication and psychotherapeutic clinical treatment interventions aimed toward building a foundation upon which long term recovery can take place. Individuals entering this level of care meet criteria for methadone maintenance or buprenorphine maintenance. A shorter term taper is available through the ambulatory detoxification unit, if deemed appropriate. MAAS targets inner city and traditionally under-served populations, including but not limited to Latinos and African Americans. Treatment intensity varies based on patient need while the clinic models a ¿stages of change¿ approach to opioid treatment. All culturally relevant services are offered in English and Spanish. MAAS offers on-site babysitting to adults with dependant, under school-age children.
Services Include:
-Individual and Group Therapy
-Pharmacotherapy
-Psychiatric Evaluation and Follow-up
-Case Management
-Family Counseling
-Auricular Acupuncture
-HIV/AIDS/STD Testing and Counseling
-Basic Primary Care Services
-Trauma Therapy
-Gender Specific Therapy

Compendium Program: Chronic Disciplinary Unit: How to Deal with Your Problems and How to Do Your Bid

Gender Specific for:MALE; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

This is a group designed for inmates in the DOC's Chronic Disciplinary Unit. One of the problems that many inmates have in general, and restrictive housing inmates have in particular, is that they lack the skills necessary for problem solving. The first part of this class is designed to help inmates learn that not all problems can be solved and to assist them in approaching problems so as to (1) respond in the best way to the presented problem and (2) not to make the situation worse. In the second part of the class the inmates review a videotape which shows inmates who have completed a restrictive housing program. In that video the inmates discuss what they believe is necessary in order to "do your bid." The video serves as a stimulus for inmates to discuss how it is possible to live in a prison environment without getting into trouble.

Description:

CHC is building a world class primary health care system, that is committed to caring for special populations, and that is focused on improving health outcomes for our patients as well as building healthy communities.
Since 1972, CHC has been one of the leading health-care providers in the state of Connecticut, providing comprehensive primary care services in medicine, dentistry, and behavioral health. CHC is available to all, but has a special commitment to the uninsured, underinsured, and special populations such as patients with HIV/AIDS. CHC is a statewide, independent, private non-profit organization. Last year, we provided high-quality medical, dental and behavioral health services to patients living in nearly every Connecticut city and town. With 130,000 active patients, CHC, Inc. is the health care home that works to keep our patients¿and our communities¿healthy. We incorporate prevention and health promotion, treatment of illness, and management of chronic disease¿often all during the same visit. But CHC goes beyond the traditional health services to bring care wherever you are, using innovative service delivery models and state of the art technology.

Compendium Program: Community Health Services, Inc. (CHS)

Gender Specific for:BOTH; RT Program Code: 0

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

CHS offers primary and preventive services in Adult Internal Medicine, Adolescent Medicine, Behavioral Health, Dental Care, Optometry, Pediatrics, Podiatry, and Women¿s Health. The health center also offers specialty services such as its Diabetes Collaborative, a national program which takes a multidisciplinary approach to treatment, and social services such as its Food Pantry which provides food to over eighty families each week, in addition to an on-site pharmacy and laboratory. As part of its program of community outreach, CHS participates in a number of community events each year including health fairs and provides transportation service to and from appointments for patients.

CHS is not a clinic. We are a community health center where you can bring your entire family, and receive the same close, personal care and medical expertise you would expect from a private practice or hospital. CHS is accredited by the Joint Commission on Accreditation of Health Care Organizations. While the Joint Commission sets the standards for the care in hospitals, accreditation is not required for community health centers. CHS undertook this effort as part of our commitment to excellence in our clinical practices, and providing every patient the quality of care they deserve.

Description:

The Center for the Treatment of Problem Sexual Behavior serves to prevent future sexual abuse through state-of-the-art assessment, treatment and training. CTPSB is committed to the enhancement of the community via the reduction of sexual violence. We accomplish this by working in a collaborative effort with the criminal justice and victim advocacy systems, utilizing research valid methodologies in the treatment and management of sexual offenders.
The Center is comprised of Adult Services, Juvenile Services, Developmental Disabilities Program, and The January Center, the state¿s first residential treatment center for problem sexual behavior. Both Juvenile Services and the Developmental Disabilities program provide assessment and treatment for victims of sexual violence as well as sexual offenders.
The main office is located in Middletown, however, specialized evaluation and treatment services are provided statewide in Middletown, New Haven, Bridgeport, Norwalk, Stamford, Danbury, Waterbury, New Britain, Torrington, Bristol, Hartford, Manchester, Norwich, Montville and New London. Through subcontractors, services are provided in Willimantic, Stratford, Danielson, and Shelton.

Description:

This program is offered by volunteers for students to improve their writing techniques. The goal of the group is to help each student find their own voice to tell his own story in his own way. By doing this the program hopes to improve offenders self esteem and writing abilities to encourage better reintegration to society.

Compendium Program: Creative Writing-Bridgeport CC

Gender Specific for:MALE; RT Program Code: CW

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Participants will be encouraged to work on their media of choice (letter writing, other prose, music, poetry), they will also be exposed to basic rules of writing, including, but not limited to, spelling, grammar and punctuation. As the group consists of participants of different ability levels, the class will begin with simple letter writing; first the personal letter and then progressing to more formal letters. Though each lesson will be different, weekly students will be exposed to a sample of reading (for evidence of vocabulary, grammar and punctuation usage), group work (for collaboration with others on independent work) and an in-class assignment that will be evaluated for the following week. Given a fluid atmosphere it is hopeful that all participants can find meaning and seek improvement over the course of the activity.

Gender Specific for:MALE; RT Program Code: 0

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The mission of Dress for Success is to promote the economic independence of disadvantaged women by providing professional attire, a network of support and the career development tools to help women thrive in work and in life. Dress for Success serves clients by referral only, and women must have an interview scheduled before receiving clothing. Our clients come to us from a continually expanding and diverse group of non-profit and government agencies including homeless shelters, immigration services, job training programs, educational institutions and domestic violence shelters, among many other organizations.On her initial visit a woman receives a suit appropriate for the industry in which she is interviewing and, if available, accessories. After a woman finds a job she returns to Dress for Success for additional clothing that can be mixed and matched to make several outfits, providing her with the foundation for a professional wardrobe.

Compendium Program: Families in Crisis, Inc./Hartford

Gender Specific for:BOTH; RT Program Code: 0

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

FIC provides specialized services that strengthen families, enhance community safety, and promote individual responsibility. FIC is one of only a few organizations dedicated to meeting the critical needs of offenders and their families. Families of offenders, especially children with parents who are incarcerated, have special needs. Offenders who rejoin families and reenter communities make a much better adjustment if the family has a ¿safety net.¿ Family relationships play a significant role in helping offenders rebuild their lives. Experience has taught us that if an offender maintains a positive family and has the skills to be successful within that context, the chances of successful reentry into the community increase and recidivism diminishes.
Our programs and services for offenders and their families are based on documented best practices in the field and are designed to help preserve and strengthen family ties. Families in Crisis understands that without interventions, incarceration becomes a cycle that often repeats itself. In order to significantly improve the lives of our clients, Families in Crisis is committed to meeting the unique needs of families in a comprehensive and holistic fashion.

Description:

The Community Services Division (CSD) in Stamford is located at the Franklin S. DuBois Center (FSDC) and serves the greater Stamford/Norwalk area. FSDC is responsible for providing ongoing, individualized treatment to persons living in the community with severe behavioral health disorders who are publicly insured, uninsured and in some cases underinsured. All services offered at the F. S. DuBois Center are aligned with the Commissioner¿s initiative to move our practice to one offering Community Support and Recovery Pathways. At the end of the day, people ought to have more advanced skills for self-management. Within many areas of service at FSDC, Peers have become integral components. Person-centered care is a given and evidence-based practices are growing.

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Fresh Start Community ReEntry Program
This innovative, research-based nonresidential model results
in the successful reintegration of formerly-incarcerated persons into their families and communities. Our holistic approach engages and prepares prisoners prior to release, utilizes succesful ex-offenders as leaders, role models, and mentors, builds collaborations with stakeholders, and creates positive pro-social networks in the community. The results are: productive, tax-paying citizens, stronger families and communities, increased public safety, reduced costs to taxpayers, and improved quality of life in the region and across the state. Yale University research has observed that Fresh Start programs have reduced recidivism in Connecticut. Gender-specific programming is provided for women in collaboration with our partner agency, The Center for Women and Families of Eastern Fairfield County.

The USD #1 offers opportunities for earning a high school diploma through either USD # 1's Adult Education Program or in some cases in collaboration with USD #1 and the local town/city. To receive a diploma from the local city/town, the former school district must be willing to cooperate with USD #1. USD #1 Adult Education opportunities include the following:

1. The General Education Development (GED) exam provides qualified offenders the opportunity to participate in the examination process in order to receive a Connecticut State High School Diploma.

2. The High School Equivalency Program provides qualified offenders the opportunity to earn the 20 credit hours (120 hours per credit) required to receive a Connecticut High School Diploma.

3. Credit Diploma Program (CDP) provides qualified offenders the opportunity to earn the 20 credit hours (50 hours per credit) required to receive a USD #1 Adult Education High School Diploma.

4. The External Diploma Program (EDP) provides qualified offenders the opportunity to complete a competency portfolio in order to receive a USD #1 Adult Education High School Diploma.

Not all programs are available at all sites, and USD #1 staff review these options with prospective students to assist in the decision regarding which high school diploma program best meets his/her needs.

Compendium Program: HIV Counseling, Testing & Risk Reduction Education

Gender Specific for:BOTH; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

When inmates are tested for HIV, the department provides standardized counseling by Department of Public Health certified counselors before and after testing. Counseling components include what HIV and AIDS are, how to get it, how to avoid getting it, what it means to be HIV positive, how to take care of oneself if one is HIV positive, and help in dealing with the associated feelings.

Compendium Program: HIV Support Services

Gender Specific for:BOTH; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The Department demonstrates a collaborative approach in providing HIV support services to inmates in all facilities. A UCONN (Contracted) Heath Services Team coordinates testing and counseling services; the Department's School District conducts classroom instruction about HIV; the Department's Addiction Services Unit Counselors provide HIV education and prevention counseling; a number of volunteers serve as "buddies" or sponsors; and Hartford's Community Partners in Action (CPA) receives funding from foundations, grants as well as support from the state's Department of Mental Health and Addiction Services to operate the "Beyond Fear" Program. Altogether the Department hosts a complete program that includes counseling, testing, education focus groups, videos, intervention strategies and is able to assist discharging inmates with need for such services as housing, medical treatment, food, clothing and transportation.

Open Close:False, Session Group:True, Session Numbers: 8, Evidence Based:False

Description:

Interactive Skill Building (ISB) is a program coordinated by a Correctional Recreation Supervisor to introduce inmates to a range of fitness activities. This activity may be offered to individuals, groups of 5 (or less) or larger groups. ISB introduces participants to the Rules of Good Sportsmanship and Physical Education/Recreation Game Rules. Coaching Goals, Exercise Guidelines, Officiating Guidelines and Team Concepts may be introduced in depth. Recreation Supervisors encourage inmates to better understand fitness, self-control and well being through Team Sports, including: Basketball, Handball, Soccer, Softball, Volleyball and Flag Football. In addition to Intramural Activities, inmates may be introduced to Calisthenics, Aerobics, Running/Walking, Weight Conditioning, Relaxation Techniques and Yoga. Other activities may include: Art Classes, Band/Music Programs, Table/Board Games; Creative Writing. Tournaments reinforcing personal development or self enrichment may include: Badminton, Bowling, Horseshoes, Paddleball, Ping-Pong, Frisbee and Boccee. Inmates may also be organized to provide Community Services, including: Conservation, Restoration & Beautification (Garden/Ground Projects), Photo Program Fundraisers. ISB may also include, Book Clubs/Reading Groups, Hobby Groups or encouragement to participate in other elective-voluntary activities.

Compendium Program: Love in Action Prayer Group

Gender Specific for:MALE; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

This is a monthly Catholic program and the group has chosen the title "Love in Action" for several reasons. God put his love in Action by sending his Son Jesus Christ into the world so that we could be saved from our sins. The Holy Spirit put His Love in Action by raising Jesus from the dead so that we can have eternal life. As their goal, the volunteers want to share God's holy love and mercy with those in prison.

The program involves weekly Scripture readings from the Old and New Testament. As a guide, a reflection booklet for Small Christian Communities is used which contains Reflection and Discussion questions dealing with the Bible readings from the Catholic Sunday Mass. Questions are addressed to the group and the men share how the readings have touched them and can help them become a better Catholic. The program concludes with a closing hymn and prayer. The Love in Action group meets for one hour every second Tuesday of the month after Catholic Mass.

Description:

Mindfulness is the energy of being aware and awake to the present moment. It isn't something individuals have to acquire, but rather it is a natural ability to help one grow, learn, and heal. Through dialog, meditation, and focus practices we will work with what is there and learn tools to become more present and peaceful from moment to moment. Over four weeks we will build on what we learned the previous week, starting a foundation for regular mindfulness practice.

Compendium Program: Narcotics Anonymous

Gender Specific for:MALE; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Narcotics Anonymous is a twelve-step fellowship of addicts helping addicts to recover from the disease of addiction. Meetings, in a variety of formats (Step Meetings, Speaker, Speaker/Discussion, etc.), are held on a weekly basis. The meetings are usually conducted by outside volunteers who share their story of addiction and recovery. Addiction Services or Volunteer Services staff coordinate the meetings and provide oversight for the program.

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

If you need to improve your English skills, obtain a high school diploma, or expand your horizons by taking an enrichment course, you have opened the right web page!There are three ways to earn a high school diploma at the New Haven Adult and Continuing Education Center: GED, Credit Diploma Program, or National External Diploma Program. We have many levels of ESOL classes to improve your proficiency in English. We offer a number of enrichment classes, each of which will enhance your lifelong learning. Each person entering New Haven Adult and Continuing Education has a unique experience; so before deciding on a program, please discuss your situation with our counselors who are on-site at the Ella Grasso Boulevard location Monday through Friday 8:30 AM to 3:00 PM and Monday through Wednesday evenings from 6:00 PM to 8:30 PM. They will help you make an informed decision about which program is best for you. The important thing is that you register to start a program!
The registration process is one that will take some time. This process is in place so that the counselors can help YOU decide on the best program for you to achieve your goals. Please be aware that you must be 17 or older to enter Adult Education in Connecticut. This law was passed by the legislature on July 1st, 2011.

Compendium Program: Prisoner Outreach Program (POP)

Gender Specific for:MALE; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The program consists of inmates being transported to community settings where they share their experiences with at-risk youth. This program is designed to reach out and change the direction of the lives of at-risk youths in communities and schools before they end up in prison. The Prisoner Outreach Program meets with at-risk youths and provides them with a unique opportunity to obtain a realistic view of prison life and the reality of serving time. The youths learn how drug and alcohol abuse and criminal behavior ruined the lives of men incarcerated in Connecticut. They also learn how to change their lives in a positive way to avoid being sentenced to prison.

Compendium Program: Ready 4 Life

Gender Specific for:MALE; RT Program Code: N/A

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Ready 4 life is a Protestant class that helps youthful offenders to "look inside" in order to develop healthy thinking from a Christian perspective. Through teaching and discussion of Biblical principles, it seeks to change negative attitudes and destructive behavioral patterns. Some topics include overcoming anger, forgiveness, honesty, strongholds, victim mentality and responsibility. Volunteers will lead the program.

Compendium Program: Re-Entry Services: Transition Library Program

Gender Specific for:MALE; RT Program Code: N/A

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The Transition Library (under USD#1's auspices) offers a comprehensive selection of self-help publications and forms geared at fostering greater autonomy over pre-release strategies. Offenders contact the library, via transition checklist, to obtain materials tailored for an inmates individual need upon release. Inmate Transition Tutors (TT's), assigned to each housing unit, assist inmates in selecting appropriate resources, deciphering publication language and completing necessary documents from the Transition Library. Under facility staff auspices each TT makes himself available to answer questions and offer assistance to those who request it within the dormitory setting. TT's complete a monthly log sheet of individual contacts made and services requested assessing program features, immediate needs and user comments. USD#1 and facility staff each review the sheets respectively to monitor the program's outcomes and determine need areas.

Gender Specific for:BOTH; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

RAP provides services for young adults ages 15 through 21 years of age.
In-home individual and family counseling, clinical case management services, school, work site and community visits.
Services based upon classification of the Offender.
Offenders are also monitored for substance abuse and relapse vis-à-vis field urine screens and Breathalyzer testing conducted in-home, at the request and discretion of the referring agency.
24-hour on-call services are also available to those Offenders who may be experiencing clinical or mental health issues.

Individual Services
will have a comprehensive, holistic, individualized service plan developed and implemented.
This plan will include the following core domains:
i. mental / behavioral health;
ii. social-emotional;
iii. health;
iv. recreational, cultural and spiritual;
v. permanency and life long family ties, including visitation/contact with parents and siblings;
vi. educational / vocational/career;
vii. life skills / daily living.

Description:

The special education teachers, pupil services specialists (School Psychologists, School Counselors, School Social Workers), and the associated clerical and durational staff provide services to students with handicapping conditions which interfere with their ability to participate in school. These services are mandated by federal (Individuals with Disabilities Education Act Amendments of 1997) and state (Connecticut General Statutes 10-76) statute. Special education services encompass a broad array of activities including assessment, counseling, transition planning, and both the direct and indirect (e.g. consultation) services of the special education teachers and pupil services staff. Student programs are designed according to the individual needs of each student with disabilities and are specified in an Individualized Education Plan (IEP.) A social skills component is a part of the special education program.

Compendium Program: St. Dismas Prayer Group

Gender Specific for:MALE; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

A monthly Catholic Program which includes music, prayer, and discussion to help men become stronger in their faith. On a rotating basis, one of the volunteers is chosen as the program leader and a religious topic is chosen each week for discussion. The program begins with an opening prayer and hymn and the weekly topic is discussed. An appropriate Bible reading is read based on the chosen topic, and the men discuss how the topic affects their life and can help them grow in their faith. A closing worship song and prayer ends the program. The St. Dismas group meets for one hour every fourth Tuesday of the month after the Catholic Mass.

Gender Specific for:BOTH; RT Program Code: 0

Open Close:False, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Stonington Institute¿s treatment program draws from medical, psychological and traditional self-help approaches in addiction treatment. The Institute also recognizes the overwhelming importance of the client¿s motivation to achieve and maintain sobriety. Through education, professional intervention and effective social rehabilitation, it is our belief that everyone can achieve recovery.

Stonington's Detox Program is aimed at engagement, orientation and stabilization. The clinical program is led by a Clinical Director, a licensed clinical staff and a dedicated Discharge Care Coordinator who will assure that every client completes a safe detox protocol and is introduced to 12-step model of recovery. Emphasis is on understanding the disease of addiction and solidifying a long-term recovery plan.

Gender Specific for:BOTH; RT Program Code: D4

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The Addiction Services Unit - Time Out Program (ASU-TOP) provides Substance Abuse Treatment for offenders returned to custody for non-compliance with the stipulations and/or conditions of their release from a DOC facility. ASU-TOP programming serves to reinforce the offender's foundation of substance abuse information, personal identification with recovery, and to motivate their continued use of formal and informal recovery support services upon their return to the community. The ASU-TOP uses two evidence-based; psycho-educational curriculum driven programs designed to help the offender identify the mechanisms which triggered their relapse into the use of Alcohol or other Drugs; enhance their recovery skills, and develop a plan for an on-going drug and crime free lifestyle. The ASU-TOP program will be delivered 5 times per week over the course of 3 weeks The Brief Substance Abuse Treatment Program shall be 15 sessions in length; the Intensive Relapse Prevention Program shall be 10 sessions in length. Participants will also complete the Job Center Program and the Reentry Workbook Program. Upon successful completion of TOP, inmates may attend Aftercare.

Description:

Youth Community Development Programs of CCPC is focused on developing a future for youth ages 15-24 by providing them with the basic skills and knowledge of educational, career advancement, small business management so that they can be successful in their career of choice. There are two program components: Career Development and Educational Assistance Students will attend career development workshops and will take advantage of paid work opportunities while graduation from high school and college. Job and education coaches will train youth for 4 to 6 weeks before placing them into a paid apprenticeship with local employers and businesses. New Haven youth are in need of after school programs that allow them to be productive in the workforce. Our business sponsors offer work apprenticeships services for participants achieving certain education and life skills benchmarks. Independent Living Preparation is part of the classroom instruction individuals will receive. It covers housing, transportation, banking, credit, budgeting, and spending /consumer skills. Ansell Casey Life Skills Training is designed to help assist transition and successful life skills participants into independent living. This program also emphasizes the importance of the well-being of at-risk youth and assists with various endeavors to assure youth and families opportunity to fair and adequate housing.

Gender Specific for:BOTH; RT Program Code: 69

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

This program prepares students to become licensed barbers and cosmetologists. Course requirements are 1500 hours of theory and practical experience to qualify for licensure. A rigorous set of criteria is required for entrance into the program. The classroom is set up to simulate an actual salon environment including appropriate business behavior. Upon completion students receive information about receiving a grant from the Department of Labor to take the state examination when they discharge from the facility. Approval for licensure is determined through the State Board of Health and Addiction Services.

Compendium Program: USD#1 - Voc. Ed: Graphic & Printing Technology

Gender Specific for:MALE; RT Program Code: 75

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The graphic arts/printing course is designed to provide students the opportunity to learn the skills necessary to work in the printing field. Students gain an understanding of the overall printing process to include graphics layout, design, production printing and binding. Students concentrate on proper shop safety procedures, and desktop publishing skills. Each student receives "hands on" instruction operating single color offset presses, two color presses, paper cutters and bindery equipment. Class theory work includes learning terminology related to the field and methods of managing quality control processes. Students learn basic equipment upkeep and care, as well as equipment problem diagnosis and minor equipment repair.

Compendium Program: USD#1 Voc. Ed: Drafting CAD/CAM

Gender Specific for:MALE; RT Program Code: 72

Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

The curriculum includes mechanical/architectural drafting and blueprint reading and is broken-up into two sections: Hands-on and CAD. The hands-on portion of the course takes approximately 6 months to complete and includes the drawing of plans in 2D and 3D. Orthographic, sectional auxiliary, perspective, dimensioning and isometric drawings are a few of the areas covered in this area. The second portion of the course covers Computer Aided Drafting. Drawing fundamentals, rendering, plotting and mesh are some of the units that will be covered. Mathematical computations and problem solving abilities are some key areas that you will develop when working in CAD. Researching part and building specs is necessary when working on assignments. The course takes approximately 1 year to complete and is designed for entry level employment.

Description:

Behavioral Health services include anger management, gender specific substance abuse groups, mental health referrals, urinalysis screening, and individual counseling. The target length of participation for behavioral health services is fourteen weeks.
Anger Management: This eight week workshop for men and women will teach techniques and interventions that clients can apply in future anger-provoking situations.
Men's Substance Abuse Group: This eight week group series for men provides critical education regarding addiction, alcohol and drugs, their effects on the body and mind, and helps group participants explore their own recovery, learn cognitive behavioral techniques, and develop relapse prevention plans.
Women's Substance Abuse Group: This eight week program for women is a gender specific, compassionate, holistic approach to substance abuse treatment. This group series focuses on women's issues, including defining one's sense of self, exploring family of origin, creating healthy relationships and support systems, as well as the roles of spirituality and meditation in recovery.
Mental Health Services: This service provides a comprehensive psychiatric assessment and ongoing medication management and support. Referral to a higher level of care will be made when appropriate based on the client's needs.

Description:

LifeLine for women and children is a substance abuse/mental health treatment program for women ages 16 years and older and is designed to treat and support women experiencing substance abuse and psychiatric disorders as they progress through their recovery. Treatment empowers women to make positive choices for themselves and their children and to develop competence in all aspects of family life. Team members are specialists in substance abuse; psychiatric treatment, child development, community adjustment and gender-responsive, trauma -informed care.

The program also provides intensive outpatient and outpatient levels of care and includes transportation within New Britain, babysitting for preschool-aged children and case management.

To:
•Stop or reduce substance abuse
•Improve parenting skills
•Cope with anxiety and depression
•Connect with community supports

Core care components:
•Substance abuse and mental health treatment and education
•Individual, couple and family therapy
•Parenting and child development training
•Comprehensive assessment
•Specialized groups for substance abuse, trauma and co-occurring disorders
•Random observed toxicology screening
•Community outreach and care coordination
•Transportation and childcare
•Psychiatric evaluations and medication management
•24-hour crisis coverage
•Discharge planning and aftercare

Description:

Adult patients who have achieved some stability but continue to require more intensive treatment than traditional outpatient therapy, or to prevent hospitalization, may be treated within our Adult Intensive Outpatient Program. Most of these patients are admitted to treatment of mood disorders, anxiety disorders, chronic suicidal thoughts, co-occurring disorders (psychiatric and substance-abuse disorders), personality disorders, and family/interpersonal conflicts. Patients can be referred during the hospitalization or by outpatient psychiatric participants attend the program three to four times a week for four hours each day. There are three main tracks in this program:
1. General Adult Track (for patients with general mood or anxiety disorders)
2. Dual Diagnosis Track (for patients with psychiatric and substance-abuse diagnoses)
3. Dialectical Behavioral Track (primarily for patients with borderline personality disorder and other severe personality disorders)

Compendium Program: Young Male-Trauma Recovery Empowerment Model (YM-TREM)

Gender Specific for:MALE; RT Program Code: 0

Open Close:True, Session Group:False, Session Numbers: 8, Evidence Based:True

Description:

YM-TREM is an adaptation of the trauma empowerment model to young men. This manualized evidence based model is supported by SAMHSAS evidence based programs and practices and has been used with adult men, women and teenaged girls. With permission of the authors, the material has been extended to young men and the curricula adapted in an effort to pilot the material with a sample of incarcerated youth. The Trauma Empowerment Model is a psychoeducational and skills oriented group divided into four parts. Empowerment, Trauma, Recovery, Advanced Trauma Recovery Issues, and Closing Rituals.
