Certificate of Need Equipment Replacement Notification Form

Pursuant to 19a-638(b)(18), an existing imaging equipment may be replaced, if such equipment was acquired through certificate of need approval or a certificate of need determination, provided a health care facility, provider physician or a person notifies OHCA of the date on which the equipment is replaced and the disposition of the replaced equipment.

Please complete the following:

Provider Name & Address:	Yale-New Haven Hospital
Name and description of the equipment to be replaced:	GE Lightspeed CT Scanner
Docket or Report number of the CON authorization of the existing imaging equipment being replaced:	Docket No. 09-31420-WVR
Address of the existing imaging equipment:	20 York Street, New Haven, CT 06510
Name and description of the replacement equipment:	Siemens Force Dual Source CT Scanner
Location where replacement equipment will be operated:	20 York Street, New Haven, CT 06510
The date the replaced equipment was replaced:	July 5, 2016
The disposition of the replaced equipment	Traded in to vendor.

Person Completing the form: Matt McKennan, Sr. Planner
