**TO:** Mayors, Superintendents, School Readiness Council Chairs/Co-Chairs and Liaisons, Child Day Care Contractors

**FROM:** Harriet Feldlaufer, Director
Early Care and Education
Office of Early Childhood (OEC)

**SUBJECT:** 2014-2015 Income Guidelines and Per-Child Fee Schedules

---

**The Income Guidelines for School Readiness Grant Funded Programs and for Child Day Care Contractors** have been updated for the program period July 1, 2014 to June 30, 2015. *These income guidelines are based on the State Median Income (SMI) levels published annually* in the Federal Register. School Readiness Grant funded programs and Child Daycare Contractors and programs please refer to General Policy 14-03 and the attached supplemental guidance document for explicit information on implementation of the fee scale.

- The Child Day Care Contracted Programs can only enroll families whose income falls below 75% of the SMI. If a child is already enrolled and the family income rises to 75% of the SMI or higher, a child may maintain enrollment if other eligibility requirements are met (see GP 14-03). School Readiness programs can enroll families over 75% SMI. The ten percent calculation for income over 75% SMI is now calculated for each family size and is noted in the row **under** the family size for each SMI range over 75%. **The School Readiness Councils will NOT determine fees over 75% SMI. Programs will use the calculation provided, not to exceed their School Readiness published cost of care or the Child Day Care maximum rate.**

- The 2014-2015 **Income Guidelines for School Readiness Grant Funded Programs and for Child Day Care Contractors** are effective Monday, November 3, 2014. From the beginning of the program year to the effective date of the income guidelines, the 2013-2104 Income Guidelines

for School Readiness Grant Funded Programs and for Child Day Care Contractors have remained in effect. Please remember that families must be notified 30 days in advance before changing the fee.

- Smart Start: A local or regional board of education MAY choose to charge a family fee. If the local or regional board of education chooses to charge a family fee they must use the OEC Guidelines and per-Child Fee Schedules

***Program Guidance:***

The fee schedule is effective Monday, November 3, 2014, for all families or 30 days after families have been notified of the change in fees.

- Use the new fee schedule to determine the calculated fee for all children enrolled after programs receive communication of the new fee schedule.

- For children currently enrolled in programs and transitioning to Kindergarten, no new fee calculation is needed. Programs may continue to charge the existing fee until the child/children exits the program to attend Kindergarten.

- Re-determination of fees for currently enrolled families is not required with the publication of the 2014- 2015 fee schedule, except for those families due for their annual re-determination. If programs choose to implement the new fee schedule for currently enrolled families, notification of the change in fees must be provided 30 days in advance of the change. Re-determination should occur annually after the initial determination using the new scale.

- For School Readiness Programs, families must be informed of the cost of care and the calculated fee using the fee scale.

**Child Day Care Per-Child Fees for Full-Time School Age Care**
There is no separate fee schedule for school age full-time care, occurring when school is not in session. Programs may opt to pro-rate the school-age part-time care fee or use the preschool school-day rate.

**Hardship Guidance**
Programs reserve the right to collect less than the calculated fee but must maintain fiscal responsibility to ensure quality programming. The program may implement a hardship policy based on individual family needs. This policy should be clearly stated to families upon enrollment and outline what the program considers as hardship and the documentation needed to determine hardship.

**School Readiness Council Guidance**
Councils should work closely with programs to support decisions regarding fee collections and collect data that are useful in identifying community income trends and program policy development. Councils may continue to utilize the Part Day exemption option outlined in GP 14-03 Section II (C).
