Candidate, Exploratory and Durational Political Committees must file either the "Itemized Campaign Finance Disclosure Statement" (SEEC Form 20) or, if qualified, the "Short Form Campaign Finance Disclosure Statement" (SEEC Form 21). The filing period begins on the first day following the end of the period covered. Statements filed after the applicable deadline of the filing period will be subject to a mandatory $100 civil penalty.

1. This report is required of all candidate committees involved in the 9/15/2009 primary as well as all durational political committees that have expended ***any*** funds in connection with the primary in any amount. The filing may be the "Short Form Campaign Finance Disclosure Statement" (SEEC Form 21) if the $1,000 threshold since the start of the committee has not been exceeded; otherwise either a SEEC Form 20 ("Itemized Campaign Finance Disclosure Statement).

2. Only the committee of a candidate who was not successful in the primary must file on this date. Any committee of an unsuccessful candidate in the primary that has eliminated any deficit or distributed any

surplus within 30 days of the primary may terminate at this time by filing a Termination Report in lieu of this 30 Days Following Candidate Primary report.

3. Candidate committees may continue to file the "Short Form Campaign Finance Disclosure Statement" (SEEC Form 21) on the 7th Day Preceding the General Election if the $1,000 threshold since the start of the committee has not been exceeded and that is true for all candidate filings no matter when due, including termination. However, durational political committees organized for the 2009 election cycle must file the "Itemized Campaign Finance Disclosure Statement" (SEEC Form 20) on this 7th Day Preceding General Election report irrespective of the amount of money received or expended by the PAC. If this is the PAC's first itemized disclosure statement, the first day of this period covered goes back to the first day of the period covered in the PAC's first filing following the day of its organization as a committee.

The committee of a candidate who was not successful in the primary, which still had a deficit as of December 14, 2009 (the 90th day following the September 15th primary), and which reports a deficit in this report, must thereafter file a Deficit Report on the 7th day of each month in which there was either an increase or decrease of more than $500 as of the last day of the month preceding the filing measured against the amount of the deficit reported on the last Deficit Filing. A Termination Report may be filed in lieu of a Deficit Report if the deficit has been erased and any surplus has been distributed by the last day of the period covered in this filing.

5. The committee of a candidate who was not successful in the primary and which had a surplus that was not reported as distributed on the 30 Days Following the Candidate Primary must distribute or expend its surplus as of December 14, 2009 (the 90th day following the September 15th primary) by filing a Termination Report by December 21, 2009.

6. Any candidate or durational committee which has distributed any surplus by December 31, 2008 may terminate at this time by filing a Termination Report in lieu of this January 10 Filing.
