2008 Conference on Aging

Tuesday, October 28 – Thursday, October 30, 2008

Water's Edge Resort & Spa
Westbrook, Connecticut

The aging network serves over 45 million older adults in America. Join your peers for the region's premiere conference on aging.

You are invited to **Aging is Changing!** This three-day conference is open to specialists in elder services throughout the greater New England region.

You already know the monumental impact aging has on people, places and policies. Aging is redefining the concept and delivery of services. Aging is revolutionizing the image of older adults. And aging is reinterpreting *your* role in this dynamic field.

Aging is Changing! is designed to give you the edge. You'll learn from respected leaders in the field. You'll meet colleagues across the spectrum. You'll gain new insights and get recharged. And, **if you register now**, you'll save money!
