TITLE: ***Keeping Connected: An Interactive Workshop for Caregivers***

LOCATION: Alzheimer's Resource Center

DATE: October 6, 2011

TIME: 2:30pm – 3:30pm

DESCRIPTION: This interactive workshop gives caregivers an opportunity to learn about the New England Cognitive Center's programs aimed at providing individuals with Alzheimer's disease and dementia purposeful cognitive stimulation. Caregivers will be able to experience some of the cognitive activities that make up NECC programs. Also featured are communication strategies that work to help caregivers stay connected and engage in meaningful activities with their loved ones throughout the disease process.

PRESENTERS: Patti Celori Said, Executive Director, New England Cognitive Center; Shazia Chaudry, Director of Community and Family Relations, Alzheimer's Resource Center; and Carolyn DeRocco, Northwestern Regional Director, Alzheimer's Association
