

**Statewide ADRC Steering Committee Meeting
Notes from 12/15/08 Meeting**

1. Aging Services Division Director – Pam Giannini – updated the Committee on the future direction of ADRC's in CT. The discussion included costs incurred to operate an ADRC including both in-kind contributions as well as costs covered by grant funding secured by the Aging Services Division. Project 2020 was also discussed in relation to possible future ADRC funding and the direction of CT ADRCs in the future. Following the lead set by NASUA & n4a, the Aging Services Division will also support CT's AAAs, in conjunction with CT's CILs, for future ADRC funding. Every other entity interested in working with an ADRC, should connect with their area AAA & CIL.
2. The South Central ADRC Pilot updated the Committee with progress to date including the October 23, 2008 ADRC Ribbon Cutting Ceremony and collaborative use of the Money Follows the Person Phone line for the ADRC phone number.
3. The Western CT ADRC Pilot updated the Committee with progress to date.
4. The ADRC Operating Protocols Workgroup updated the Committee with progress to date.
