

**Statewide ADRC Steering Committee Meeting  
Notes from 4/14/08 Meeting**

1. Long Term Care Options Counseling

- We reviewed the agreed upon working definition of Long Term Care Options Counseling.

2. What Should Our ADRC Model Look Like?

- PowerPoint Presentation by Jennifer to review the continuum ADRC models from Centralized versus Decentralized ADRC Models currently in existence around the country.
- A lengthy discussion took place about which model CT should adopt and why.
- Consensus was reached by the group that a Decentralized model would work best in CT given the current system structure. The actual design of the Decentralized model will be revisited at a future meeting.
- Considerations for future system structure changes were noted.

3. Funding the ADRC

- A brief discussion took place on new state legislation related to Single Entry Points and possible funding sources.
