| Please note: Motorola radios either have a one or two year factory warranty depending upon radio model. For additional years of depot warranty, please "add" the depot warranty option. There is an additional cost for this option.   |                |               |   |                      | * Please refer to Motorola's Standard Commercial Warranty, Extend Service Plan Warranty Guidelines & Parts and Accessories Warranty information in the Appendix section |                  |
| Please note: Radio " <b>Main Line Model Numbers</b> " are identified in bold font. In order to establish the pricing for a specific radio configuration, various radio "options" are generally required to 'build' a customized radio for end users. Please consult your local Motorola representative. Additional information can also be found at Motorola's Government and Enterprise web site: <a href="http://www.motorola.com">http://www.motorola.com</a> |                |               |   |                      |   |                  |

Please note: Motorola radios either have a one or two year factory warranty depending upon radio model. For additional years of depot warranty, please "add" the depot warranty option. There is an additional cost for this option.

Please note: Radio "**Main Line Model Numbers**" are identified in bold font. In order to establish the pricing for a specific radio configuration, various radio "options" are generally required to 'build' a customized radio for end users. Please consult your local Motorola representative. Additional information can also be found at Motorola's Government and Enterprise web site: <http://www.motorola.com>
