Aearo Company (hereinafter referred to as “Aearo”) warrants that its Peltor Communication Products (“Product”) and their included accessories sold through North American Peltor Communications dealers will be free from defects in workmanship or materials under normal use for a period of three hundred and sixty (360) days from date of purchase by the original end user, provided that the buyer has complied with the requirements stated herein.

If the product fails to function under normal use because of manufacturing defect(s) or workmanship during the three hundred and sixty (360) day period following the date of purchase, it will be replaced or repaired at Aearo’s option at no charge when returned to Aearo at buyer’s expense according to the terms below. The defective unit must be accompanied by proof of the date of purchase in the form of a sales receipt.

This warranty is void if any serial number is altered, defaced or removed. The buyer shall be responsible for removal of the defective Product and installation of its replacement.

THE EXPRESS WARRANTIES CONTAINED HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, STATUTORY, OR OTHERWISE INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

FOR ANY PRODUCT THAT DOES NOT COMPLY WITH THE WARRANTY SPECIFIED, THE SOLE REMEDY WILL BE REPAIR OR REPLACEMENT. IN NO EVENT WILL Aearo BE LIABLE TO THE BUYER FOR ANY DAMAGES, INCLUDING ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES, OR THE LOSS OF USE OF, OR THE INABILITY TO USE THE PRODUCT.
