GOVERNOR MALLOY HAILS MAJOR FEDERAL GRANT FOR TECHNOLOGY IN HEALTH CARE REFORM

HARTFORD – The administration of Governor Dannel P. Malloy and Lt. Governor Nancy Wyman today announced that Connecticut residents and businesses will benefit from a \$35.6 million federal grant aimed at helping New England states develop a state-of-the-art, online gateway to health insurance options. While Connecticut and other New England states are directly participating, the project is centered at the University of Massachusetts Medical Center in Worcester and the Massachusetts Executive Office of Human Services, supported by the non-profit New England States Consortium Systems Organization.
