Through the American Recovery and Reinvestment Act, the Bureau of Rehabilitation Services has begun a new initiative to more effectively respond to the employment needs of consumers and businesses in Connecticut. Our newly-formed Employment Division looks forward to providing quality services to employers that include the following:

- ◆ Pre-screened Applicants
- ◆ On-the-Job Training/Internships
- ◆ Risk-Free Trial (Working Interviews)
- ◆ Tax Credit Programs
- ◆ Information on Becoming an Employment Network
