

# State of Connecticut

## Connecticut Agricultural Experiment Station and the Department of Energy and Environmental Protection

### In-State Firewood Transportation Self Issued Certificate of Origin

When transporting untreated firewood within Connecticut, *you must keep a signed copy of this completed document with you.*

This Self-Issued Certificate is for cut and split firewood or wood intended to be cut and split and used as fuel for heating purposes.

**IMPORTANT: NO FIREWOOD MAY LEAVE THE PERIMETER OF FAIRFIELD, HARTFORD, LITCHFIELD AND NEW HAVEN COUNTIES (“AFFECTED COUNTIES”) WITHOUT** a permit confirming treatment issued by the Connecticut Agricultural Experiment Station (CAES). Firewood passing through the affected counties is subject to additional State and Federal regulations. Contact CAES at 203-974-8474 prior to moving firewood out of or through an affected county.

#### Part I: Transporter Information

Street Address:	_____		
City/Town:	_____		
County (refer to <a href="#">county map</a> ):	_____		
Zip Code:	_____		
Approximate Volume Being Transported (In Cords):	_____		

## Part IV: Transporter Certification

The transporter must sign this part and keep this completed signed copy when transporting firewood.

<p>“I have personally examined and am familiar with the information submitted in this document and all attachments thereto, and I certify that based on reasonable investigation, including my inquiry of the individuals responsible for obtaining the information, the submitted information is true, accurate and complete to the best of my knowledge and belief.</p> <p>I understand that firewood shall not be moved into Connecticut without meeting the requirements of section 22-84-5g of the Regulation of Connecticut State Agencies (RCSA) or out of a Connecticut quarantined county <b>WITHOUT</b> a permit confirming treatment issued by the Connecticut Agricultural Experiment Station. Firewood <b>passing through</b> an affected county is subject to additional State and Federal regulations. I further understand that this Self-Issued Certificate is for cut and split firewood or wood intended to be cut and split and used for heating purposes.</p> <p>Any person or employee or agent of that person, who violates any provision of section 22-84-5g of the RCSA, shall be subject to enforcement as authorized by section 22-84 of the General Statutes or section 22-84-5e of the RCSA.”</p>	
_____ Signature of Transporter	_____ Date
_____ Name of Transporter (print or type)	

**This certificate is valid for one month from the date signed.**

Retain this document for your personal records for 365 days after self issuance.
