

KEEPING YOUTH CONNECTED AND PROTECTED:

# Family, School, and Legal Supports for Adolescents

IN OUR CARE

Tuesday

May 15, 2007

10 AM TO NOON

Room 1B  
Legislative Office Building  
Hartford, Connecticut

Please join us for a **Youth Advocacy Day** aimed at linking youth in foster care with legislators, legislative staff, and child welfare advocates. Youth served by the **Bridgeport** and **Hartford** divisions of **Casey Family Services** will discuss their need to maintain connections to families, schools, and communities, and their experiences with or without legal representation. This dialogue promises to be informative for lawmakers who oversee the policies that guide these exceptional youth who are in state care.

**RSVP** to Debbie Outlaw, Casey Family Services, at [203.401.6934](tel:203.401.6934) or [policy@caseyfamilyservices.org](mailto:policy@caseyfamilyservices.org).
