12th Annual
International Festival of
Arts & Ideas

Note to Presenting Organizations

This is a perfect opportunity for presenters – non-profit organizations, schools, PTOs, libraries, community centers, parks and recreation departments – to meet some of Connecticut's most talented performing and teaching artists who can present their work in your community.

Come find out how you may apply for a CCT grant to hire performers showcased at this free event.

Flyers and brochures from the artists will be available at resource tables on the New Haven Green.
