

New York based **Grant Wilfley Casting** has opened a satellite office in Stamford, CT and is currently looking for new actors to add to our growing Connecticut database. We are registering actors of all ages and ethnicities, both SAG members and NON Union, who are interested in being extras in feature films shooting in Connecticut and New York. Current Connecticut films include “Revolutionary Road” starring Leonardo DiCaprio and Kate Winslet and “The Sisterhood of the Traveling Pants 2” with America Ferrara and Alexis Bledel. By registering with Grant Wilfley Casting you make yourself eligible for both films, as well as any other project to come into our office. All of our casting associates use the same database to find actors for each film or television show he or she is casting for. For more information, call our casting notice hotline at #212-685-3168.

Open registration will take place every Wednesday, except major holidays such as the 4<sup>th</sup> of July, from 3pm to 7pm at our satellite office located at 76 Progress Dr., Stamford, CT 06902 on the second floor. We will ONLY register actors between those hours on Wednesdays. Do NOT come by at any other day or time. Please bring with you a headshot if you have one, but it is not necessary. We will be taking digital photographs and handing out a simple information sheet for everyone to fill out. We look forward to seeing and working with you.
