

THE CONNECTICUT ARTISTS' TREE: CALL FOR ARTISTS

To Create Ornaments for the Governor's Holiday Tree!

G

overnor M. Jodi Rell is honored to spotlight the creative talents of Connecticut's fine artists this holiday season by decorating a special evergreen tree with hand-crafted ornaments. "The Connecticut Artists' Tree" will be on display at the Governor's Residence during its annual Open House scheduled for December 5, December 6 and 7, 2008. The Governor looks forward to showcasing ornaments created by artists representing each of Connecticut's 169 towns.

Ornaments may be constructed from materials of the artist's choosing. Ornaments should measure no more than 6" in height or width and be able to hang on an evergreen tree. Completed ornaments must be delivered to the Governor's office no later than November 14, 2008. We regret that the ornaments cannot be returned.

Resident Connecticut artists interested in crafting an ornament for the Governor's 2008 tree are invited to submit a form stating their intention to participate (see below) no later than October 8, 2008

Governor Rell thanks you for your interest. All participating artists will receive a letter of recognition from the Governor following the Holiday season.

TO PARTICIPATE: Please complete, detach and return (no later than October 8, 2008) to:
