Dear David:

I am enclosing a copy of a letter sent today to Rich Miller at the University of Connecticut. The letter contains a recommendation for improving implementation of the Connecticut Environmental Policy Act. While the recommendation is directed initially at the University, the Council is hopeful that all sponsoring agencies could adopt it. We would be very interested in learning of any problems or impediments that your office might foresee.

Please do not hesitate to contact me if you have any questions about this recommendation. I would welcome the opportunity to discuss this with you or your staff at any time. Thank you.

Sincerely,

Karl J. Wagener  
Executive Director
