## 2005 Introduction To The Fire Service

This exciting program will focus on introducing youths ages 14-17 to the Fire Service. Topics addressed include: Discipline; Orientation to the CT Fire Academy and what it has to offer; Fire Department Organization and Structure; Fire Science; Woodland Fires; Hazardous Materials Awareness; Fire Streams; Ladders and Search and Rescue.

This course will be conducted in compliance with the CT Department of Labor restrictions and taught by instructors from the CT Fire Academy. The section on Woodland Fires will be taught by a representative from the CT Department of Environmental Protection, Forestry Division.

Upon acceptance into the program, the student will receive an information packet prior to the start of the program. This packet will include the week's agenda; a personal information/medical form which needs to be filled out by the student's parent/guardian.

This program will be held in a "camp" type atmosphere. Each student will reside at the CT Fire Academy for the duration of the course. **Meals and lodging are included in the tuition.**
