A LETTER FROM THE DIRECTOR OF TRAINING

Greetings Firefighters and Patrons of the Connecticut Fire Academy:

In an effort to invigorate our deliveries we are commencing a new series of Fireground Seminars. These platform speakers are intended to bring high caliber trade show type keynote speakers to Connecticut on a regular basis. One such scheduled speaker is Bobby Halton. He has gone from Deputy Chief in Albuquerque, New Mexico to Chief of Department in Coppell, Texas and as recently as October, has been engaged full time as the Editor of Fire Engineering magazine.

He is a definite don't miss speaker. Besides the subject matter of fireground decision making, the following Q & A session may involve Fire Engineering Magazine articles, FDIC courses, and a myriad of other topics that he is well versed in answering.

The State of Connecticut has more certified Fire Service Instructors than any other state. This was a designed attempt to empower local fire departments to put forth quality in-service training sessions. Another move to reinforce our commitment to instructors is the continuation of our Fire Service Instructor Development Seminar with Kimberly Alyn of Perfect Presentations. Her delivery is intended to leave you with tools for improvement.

Welcome to our 2006 calendar of scheduled classes. If you do not see what you need, call us. You will be surprised at what we can deliver. Whatever your public safety needs are, we are available to help you achieve your goals.

To your success,

Adam D. Piskura, Director of Training
