

2016 Assistance to Firefighters Grant Program

FEMA Region I

Application Development Workshop Schedule

It is expected that the 2016 Assistance to Firefighters Grant (AFG) Program will be open for applications in the fall of 2016.

Each year, prior to the application period, the FEMA Region I Fire Grant Program Specialists travel throughout New England, providing training workshops relative to the AFG Program. These workshops will run approx. 2 ½ hours and will provide information on the Assistance to Firefighters Grant Program, what is new for the 2016 round and tips on how to develop and submit a successful application. These workshops also provide an opportunity for applicants to ask questions and network with our Grant Specialists and other AFG applicants / recipients.

This year FEMA Region I will be conducting 30 workshops across the Northeast. The date, time and location of each session is indicated on the schedule below. In addition to these workshops, the Region will also host workshop webinars that can be attended remotely. The schedule for these webinars is yet to be determined. The schedule for the webinars once they are posted can be located at; <http://www.fema.gov/media-library/assets/documents/101765>.

If you have any questions or concerns, please contact one of the Region I Fire Grant Program Specialists below:
