The Children's Burn Camp is a safe natural environment for kids ages 8 to 18 from around the world who have survived life altering burn injuries. Their objectives:

- To build each child's self-esteem and self-confidence so that they are capable of overcoming their anxieties and are able to adopt to their injuries for their reintegration into their family and community life
- To enrich the lives of children burn survivors by creating a camping experience that is fun, entertaining, empowering, enhancing, energizing and full of self discovery
- To provide children burn survivors with memories that will sustain and inspire them
