1. Basic Pump Openings in Newtown

Several openings available for Basic Pumps in Dodgingtown (Newtown) on June 25 and 26. This two day class examines the components and controls in the operation of a fire pump. Class include specific functions involved in drafting and hydrant operations in setting up for pumping operations. Participants will learn how to determine and overcome friction loss, how to calculate theoretical pump pressure and how to apply easy-to-use "rule of thumb" principles of relay pumping, operating hand lines, supplying sprinklers and standpipe systems. On the training ground, students will apply practical applications while flowing water at prescribed pressures.

Tuition \$90, course number 16255 Link to application

5. DOJ Accepting Nominations for the Public Safety Officer Medal of Valor

Medal is Presented to Firefighters, EMS Providers and Law Enforcement Officers for Acts of Courage and Bravery

The United States Department of Justice recently announced that it is accepting nominations for the 2015-2016 Public Safety Officer Medal of Valor, the highest national award for valor by a public safety officer. Each year, recipients are honored at a special White House ceremony in which the President or Vice President presents the medals.

Public safety officers must be nominated for the award by the chief executive officer of their employing agencies. A public safety officer is a person (living or deceased) who is serving or has served in a public

agency, with or without compensation, as a firefighter, law enforcement officer, or emergency services officer, as determined by the U.S. Attorney General.

The deadline for submitting nominations is July 31, 2016. [Click here](#) for additional details on how to nominate a member of the fire service for this prestigious award.
