## **6. NVFC Radio Wireless Committee Survey**

The National Volunteer Fire Council Radio/Wireless committee has developed a brief survey to help us better understand how volunteer/combo fire departments use data and cellular communications tools. The committee would like to gather this information to help us provide better feedback to FirstNet on the needs of our members as the build out of the nationwide public safety broadband network continues.

Here is a link to the survey: <https://www.surveymonkey.com/r/QYD87NM>.

## **7. DOJ Accepting Nominations for the Public Safety Officer Medal of Valor**

### **Medal is Presented to Firefighters, EMS Providers and Law Enforcement Officers for Acts of Courage and Bravery**

The United States Department of Justice recently announced that it is accepting nominations for the 2015-2016 Public Safety Officer Medal of Valor, the highest national award for valor by a public safety officer. Each year, recipients are honored at a special White House ceremony in which the President or Vice President presents the medals.

Public safety officers must be nominated for the award by the chief executive officer of their employing agencies. A public safety officer is a person (living or deceased) who is serving or has served in a public

agency, with or without compensation, as a firefighter, law enforcement officer, or emergency services officer, as determined by the U.S. Attorney General.

The deadline for submitting nominations is July 31, 2016. [Click here](#) for additional details on how to nominate a member of the fire service for this prestigious award.
