# CONNECTICUT STATEWIDE HONOR GUARD

Representatives of the CT Statewide Honor Guard at the Secretary of State Public Service Awards Ceremony in Milford

*The Connecticut Statewide Honor Guard was established to honor the fire service, the firefighters who have given their lives to this honorable calling, and their families.*

*This organization has been established to bring about consistency in planning and the ceremonial activities related to fire department funeral services.*

*The emotional impact at such a time can be overwhelming. To have a resource available to use as a guide is a great relief to those involved in the planning of such an event.*

*The organization is led by Commander James McLoughlin from the City of Hartford Fire Department. He has been member of the fire service since 1981 and is a Graduate of the National Fire & Public Safety Honor Guard Academy.*

*The organization is further lead by 2 Vice-Commanders covering the northern and southern parts of the state.*

*Each County is represented by a Major assisted by a planning Captain and ceremonial Captain.*
