

Gordon Graham has been actively involved in law enforcement since 1973. He is currently a Captain with the California Highway Patrol. He regularly lectures at public safety training institutions around the country, including the FBI Academy, the National Fire Academy, the National Conservation Training Center and the Northwestern University Center for Public Safety. Mr. Graham has been awarded a B.A. in Business from San Francisco State College, a teaching credential from California State University Long Beach, a Masters degree in Safety and Systems Management from the University of Southern California and a Juris Doctorate from Western State University. He is an Attorney, consultant, lecturer and author focusing on organizational and operational risk management issues. He has developed training systems and programs used by both private and public sector organizations around the world. Gordon was the first recipient of the Governor's Award of Excellence in California law enforcement training in 1995 and additionally currently serves as a member of the National Commission on Law Enforcement Integrity.

COURSE DESCRIPTION: RISK MANAGEMENT CONSIDERATIONS IN FIRE DEPARTMENT OPERATIONS

This course is designed for all supervisory and management level personnel. Mr. Graham will focus on fire department operations and how the principles of risk management apply to your operations. "Five Concurrent Themes" will be addressed during the session and will serve as a foundation for the rest of the session. Risk Management, Systems, Customer Service, Accountability and Integrity will be addressed. Also, your role as a supervisor or manager will be addressed, with regard to Organizational Risk Management.

Please join The Connecticut Fire Academy in welcoming Gordon Graham to speak to fire professionals of Connecticut.
