Dear Fire Service Professional,

The Commission on Fire Prevention and Control in cooperation with the Department of Public Safety Office of State Fire Marshal (OSFM) is pleased to announce three workshops presenting an orientation to the widely utilized "Oregon Model" Juvenile Firesetter Identification and Assessment Screening Tool.

These free workshops are made possible by a grant from the National Association of State Fire Marshals (NASFM) to both the Commission and OSFM. The workshops will be presented by nationally known speakers Ms. Judy Okulich of the Oregon Office of State Fire Marshal and Chuck Chaffin from the Lake Oswego (OR) Fire Department.

In an effort to reduce expenses we are attempting to capitalize on the availability of the instructors who will be on the East Coast later this month. We hope you will be able to react to the short notice for these programs. Please complete the attached registration form and mail or fax them to the Connecticut Fire Academy. These programs are approved for 3 Fire Marshal Credits.

The workshops being offered are as follows:
