

Digital Imagery & Social Media Presented by Curt Varone

Digital Imagery & Social Media

Digital imagery and social media have been both a blessing and a curse for the fire service, but one thing is undeniable: despite the problems digital imagery and social media are here to stay. The law that applies to social media has been evolving and continues to evolve, with new cases and considerations arising daily. This program focuses on the latest digital imagery and social media cases affecting the fire service, and the lessons learned for fire departments and firefighters.
