

PSA – PARENTING

Mother: “We want the best for our son and even though he doesn’t realize it now, it’s a big world out there. That’s why we choose for our family to live in a diverse neighborhood.”

Father: “Because diverse neighborhoods mean diverse schools.”

Mother: “When he’s ready.”

Father: “the more comfortable he is with diversity, the less likely he is to be involved in bullying at school...when he’s ready.”
