

## **School to Prison Pipeline Regional Forum**

The CHRO is in the process of planning a School to Prison Pipeline Regional Forum at the state Capitol on August 11, 2015. The half day training seminar will feature a panel of experts on the topic and target school officials and administrators from Connecticut, New York and Massachusetts. The Governor's Second Chance Society and school diversion programs address a growing national trend of school to prison pipelines in urban areas across the country.
