*INSURANCE DEPARTMENT*

**BULLETIN IC-28**  
**October 26, 2012**

**TO: ALL INSURERS, LICENSEES AND INTERESTED PARTIES**

**RE: STORM SANDY**

---

As a result of **Storm Sandy**, this Bulletin is intended to notify all insurers and licensees that the Commissioner expects that all insurers will seek to promptly and in good faith adjust and satisfy all insurance claims directly resulting from **Storm SANDY** taking into account the magnitude and circumstances surrounding this catastrophe. In addition, the Commissioner wishes to notify all insurers and licensees that from an unfair claim settlement practices standpoint under Connecticut General Statutes Section 38a-816, they will have an additional reasonable period of time to process such storm-related claims.
