DOCKET NO. CV-99-589630

	:	**SUPERIOR COURT**
IN THE MATTER OF SUBURBAN HEALTH PLAN, INC., IN LIQUIDATION	:	**JUDICIAL DISTRICT OF HARTFORD**
	:	**AT HARTFORD**
	:	**APRIL 2, 2004**

MOTION OF SUSAN F. COGSWELL, LIQUIDATOR OF SUBURBAN HEALTH PLAN, INC., FOR AN ORDER APPROVING CLAIMS REPORT, DISTRIBUTIONS TO CREDITORS AND OTHER RELIEF

Susan F. Cogswell, Insurance Commissioner of the State of Connecticut, as Liquidator of Suburban Health Plan, Inc. (the "Liquidator"), by and through her counsel, Bingham McCutchen LLP, respectfully moves this Court for the entry of an order approving the Liquidator's claims report (the "Claims Report") attached hereto as Exhibit A, certain settlements and distributions to creditors, and granting other relief requested herein.

A. Background

1. Susan F. Cogswell is the Insurance Commissioner of the State of Connecticut and is the Liquidator of Suburban Health Plan, Inc. ("Suburban"). Suburban was a health maintenance organization chartered in the State of Connecticut and licensed to do business only in the State of Connecticut. Suburban's offices were located in Shelton, Connecticut, and its primary service areas were New Haven County and Fairfield County, Connecticut.

2. Suburban was a wholly-owned subsidiary of Griffin Health Services Corporation

("GHSC"). GHSC's other principal operating subsidiary is Griffin Hospital located in Derby, Connecticut.

3. Suburban was founded in 1987, and for most of its operating history covered under three thousand enrollees. Starting in 1994, Suburban made a concerted effort to grow its enrollment until that enrollment peaked at approximately 12,000 enrollees in 1997. In May of 1998, Suburban ceased underwriting new business, and at the end of 1998 and the beginning of 1999, Suburban terminated all its existing business.

4. On May 20, 1999, Suburban consented to the entry of an Order of Liquidation (the "Liquidation Order") under the Insurers Rehabilitation and Liquidation Act, Conn. Gen. Stat. § 38a-903, *et seq.* (the "Liquidation Act"). The Liquidation Order appointed George M. Reider, Jr., Insurance Commissioner of the State of Connecticut and his successors in office, as Liquidator of Suburban. Susan F. Cogswell, the present Insurance Commissioner of the state of Connecticut, is currently the Liquidator.

B. Claims Administration.

5. At the commencement of the liquidation, Suburban had not paid Claims[1/] of Providers and Enrollees[2/] for approximately six months and was approximately one month

---

[1/] A Claim is defined for the purposes of this Motion as (i) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal equitable, secured or unsecured; and (ii) any right to an equitable remedy for breach of performance, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

[2/] The term "Provider" as used herein shall have the meaning ascribed to in Conn. Gen. Stat. Sec.38a-175(19). The term "Enrollee" as used herein shall mean "enrollee" and "subscriber" as those terms are defined in Conn. Gen. Stat. Sec.38a-175(14) and (20).

behind in the processing of Claims. Faced with the pending backlog, the Liquidator had a choice of abandoning the claims processing system and requiring all creditors to file proofs of claim, or bringing the claims processing current and eliminating the need for Enrollees and Providers to file proofs of claim for medical services and supplies. For reasons of cost and efficiency, and to avoid confusion by the public, the Liquidator determined to continue the existing claims system, and the Liquidation Order set forth a methodology for the filing and adjustment of Claims based on the existing claim system. Proofs of claim were required only from creditors who had Claims that were not Claims for medical services or supplies.

6. Accordingly, the Liquidator sent notice to all Enrollees and Providers that new Claims would need to be submitted by July 1, 1999, and that the Liquidator would issue explanations of benefits ("EOB's") showing the disposition of all pending Claims on or before August 1, 1999. The Liquidator notified other creditors that they would have until September 1, 1999, to file their proofs of claim. The Liquidator sent over 75,000 EOB's to Providers and Enrollees. The EOB's stated that if the Enrollee or Provider disagreed with the disposition of the Claim, they would have until September 1, 1999 to file an appeal of the Liquidator's determination.

7. In response to the notices and the EOB's sent in July and August, the Liquidator received over 11,000 appeals. The Liquidator disposed of all of these Claims and appeals using two full-time Claims processors and up to eight employees of the Connecticut Insurance Department ("CID") at various times. As a result of Claims processing, it was determined that

there were Claims by Participating Providers (as defined in Conn.Gen.Stats. § 38a-175(18)) of approximately $7.6 million and Claims by Providers other than Participating Providers ("Non-participating Providers") which total $1,422,756.30.

8. Like most states, Connecticut does not provide guaranty fund protection for Enrollees in health maintenance organizations. However, Connecticut law does provide certain protections for Enrollees from claims by Providers. Participating Providers are barred by Connecticut law from pursuing claims for services against Enrollees. Non-participating Providers have the right to seek recovery of their charges from Enrollees. However, under Conn. Gen. Stat. §38a-194(d), Claims of Non-participating Providers enjoy a priority over the Claims of Participating Providers. This provision of the law makes it more likely that Non-participating Providers will be paid from the assets of an insolvent health maintenance organization. It was the goal of the Liquidator to pay Non-participating Providers before the conclusion of the case in order to avoid the hardship on Suburban Enrollees who were exposed to collection actions by such Providers. The Liquidator requested such Providers to forbear from pursuing such collection activities while the Liquidator worked toward paying their Claims in full. Most of the Non-participating Providers cooperated with the Liquidator in this regard.

9. In order to pay Non-participating Providers, it was necessary for the Liquidator to obtain additional funding. The Liquidator requested health maintenance organizations which were doing business in Connecticut to contribute funds on a voluntary basis to the Suburban estate in order to enable the Liquidator to pay Non-participating Provider Claims. The

Liquidator received contributions in the amount of $868,811 from Anthem Health Plans, Inc. d/b/a Anthem Blue Cross Blue Shield of Connecticut, Physicians Health Service of Connecticut, Inc., Oxford Health Plans, Inc. and ConnectiCare, Inc. These funds will be returned to the extent that they are not needed by the Liquidator to pay Non-participating Provider Claims and expenses of administration.

10. Thereafter, the Liquidator sought approval to pay Non-participating Providers in a Motion to Pay Non-Participating Provider Claims and to Limit Notice, filed May 26, 2000. Norwalk Hospital, Milford Hospital and Physicians Choice filed objections to the Liquidator's motion. These objections were fully briefed and ultimately withdrawn by agreement. On June 19, 2000, the Court entered an Order Authorizing Payment of Non-Participating Provider Claims and to Limit Notice. Shortly thereafter, the Liquidator distributed funds to all Non-participating Providers which had allowed and undisputed Claims. The funds were paid to the Providers on the condition that such funds were in full satisfaction of all covered obligations of the Enrollee.

11. Subsequent to the initial distribution, the Liquidator undertook to settle the remaining disputed Claims that asserted Non-participating status.

12. All but one Claim of Participating Providers have been fully administered and resolved at this time and the Liquidator is negotiating a resolution of the final Non-participating Provider Claim.

C. Approval of Release Agreement with the United States.

13. The United States filed a Claim against the Suburban estate on behalf of the Centers

for Medicare & Medicare Services ("CMS") in the amount of $9,294.45 plus interest in the approximate amount of $6,500.00. The United States maintains that it is entitled to administrative priority with respect to the entire amount of its claim including interest. The Liquidator maintains that the claim of the United States was filed after the bar date and is not entitled to any distribution. The Liquidator further maintains that any claim that the United States may have is not entitled to priority senior to other Suburban Providers.

14. The Liquidator has entered into a Release Agreement (the "Release Agreement") dated as of November 5, 2003 with the United States, under which the United States has agreed that its claim will be treated as an allowed Participating Provider Claim and will be paid $2,046.00. In addition, the United States has agreed to release and discharge the Liquidator and the estate of Suburban from any and all liability under 31 U.S.C. §3713(b) in connection with the Suburban liquidation except for possible Claims for federal taxes and Claims based on fraud or criminal conduct. The Liquidator is not aware of any such Claims.

15. The Liquidator believes that the terms of the Release Agreement are fair, reasonable and equitable and in the best interest of policyholders, creditors and the liquidation estate of Suburban. Under the Release Agreement, the claims of the United States are treated as claim of Participating Providers rather than claims of a higher priority as claimed by the United States. Also, claims for interest are eliminated. The Liquidator believes that this is the treatment that is appropriate for the Claim.

16. The Liquidator respectfully requests that the Court approve the Release Agreement

in its entirety.

D. Allowance of Administrative Claim of Connecticut Insurance Department

17. The CID has incurred in excess of $400,000 in expenses in providing the Liquidator with staff to handle the administration of the estate. The largest single expense was incurred in connection with the adjustment of Claims. While the Liquidator was engaged in the adjustment of Claims, the CID provided up to eight individuals to assist in the project. In addition, the CID has furnished accounting, general administrative and legal assistance throughout the case.

18. The CID has agreed to the allowance of an administrative Claim in the amount of $400,000. The Liquidator requests the Court allow an administrative Claim in favor of the CID in the amount of $400,000 (the "CID Allowed Claim").

E. Approval of Claims Report

19. Pursuant to Conn. Gen. Stat. § 38a-945, a liquidator is required to present to the Court a report of Claims against the insurer with the Liquidator's recommendations. The Court may approve, disapprove or modify a Claims report.

20. The Claims Report is the result of the exhaustive efforts of the Liquidator and her staff described above to resolve Claims and appeals of such Claims in accordance with the procedures set forth in the Liquidation Order. The Liquidator respectfully requests that the Court approve the Claims Report in its entirety, and allow the Claims of Providers to the extent of the amounts stated in the report and disallow the Claims of such Providers to the extent their Claims exceed that amount.

F. Approval of Distributions

21. Conn. Gen. Stat. § 38a-944 sets forth the priorities of distribution for Claims in an insurance company liquidation. Class 1 consists of expenses of administration during rehabilitation and liquidation. Class 2 consists of the administrative expenses of guaranty associations. Class 3 consists of all Claims under insurance policies, including Claims for unearned premiums and all Claims of a guaranty association for payment of covered Claims or covered obligations of the insurer. Under Conn. Gen. Stat. § 38a-194(d), claims by Participating Providers are junior to claims by Non-participating Providers. Class 4 consists of Claims of the federal government, except those under Class 3. Class 5 consists of reasonable compensation to employees for services performed to the extent that they do not exceed two months of monetary compensation. Class 6 consists of Claims of general creditors. Class 7 consists of Claims of any state or local government, except those under Class 4. Class 8 consists of surplus or contribution notes, or similar obligations, and premium refunds on assessable policies, interest on Claims of classes 1 to 7, inclusive, and any other Claims specifically subordinated to Class 8. Class 9 consists of the Claims of shareholders or other owners.

22. As of this date, the administrative Claims consist of the CID Allowed Claim and expenses to be incurred by the Liquidator in connection with the remaining administration of the case. There are no known Claims in class 2 and all claims of Non-participating Providers in Class 3 have been paid or reserved. As of this date, the Suburban estate contains approximately $2,082,383.47 in assets.

23. The Liquidation Act provides that, under the direction of the Court, a liquidator shall pay distributions in a manner that will assure the proper recognition of priority and a reasonable balance between the expeditious completion of the liquidation and the protection of unliquidated and undetermined Claims. Conn. Gen. Stat. § 38a-946. To that end, the Liquidator intends to set up reserves for the payment of the CID Allowed Claim and future administrative expenses prior to making a distribution to junior classes of creditors. At the conclusion of the proceeding, the Liquidator intends to distribute any unused portion of the reserve to creditors in accordance with the priorities established by Conn. Gen. Stat. § 38a-944.

24. The Liquidator requests that the Court authorize the Liquidator to make distributions to creditors in accordance with their statutory priority as set forth in the Liquidation Act. Consistent with the foregoing, the Liquidator shall make pro rata distributions to Participating Providers of assets in the estate remaining after payment of the allowed claims in all senior classes and the establishment of reserves for the payment of such claims.

G. Enhanced Distribution by CID

25. The Liquidator maintains that under Conn. Gen. Stat. § 38a-193, a Participating Provider is prohibited by Connecticut law from seeking reimbursement for services from any Enrollee with respect to services provided to such Enrollee while such Enrollee was a participant in a Suburban health plan. Throughout the receivership case, certain Participating Providers have asserted that they have rights to seek reimbursement from Enrollees on various theories related to their status as a Participating Provider with Suburban.

26. The Liquidator wishes to eliminate any uncertainty as to the prohibition against Participating Providers pursuing Enrollees for reimbursement. To that end, the Liquidator proposes to provide to Participating Providers that hold allowed Claims an Enhanced Recovery (hereafter defined) in consideration of a full release with respect to Claims by such Providers against Enrollees. An Enhanced Recovery shall consist of a pro rata share of $250,000 of estate assets that would otherwise be paid with respect to the CID Allowed Claim. Any Participating Provider that accepts an Enhanced Recovery shall be deemed to have waived any Claim that it may now or hereafter have against any Enrollee of Suburban and such Enrollee's estate, family members, guardians, heirs, administrators, executors and assigns with respect to services provided to such Enrollee while such Enrollee was enrolled with Suburban. The release will apply whether or not such services were or could have been the subject of a Claim against Suburban, and whether or not the Provider was a Participating Provider at the time of such services.

27. The Liquidator proposes to include the Enhanced Distribution as part of the distribution made to each Participating Provider and to notify such Participating Provider that by accepting the distribution, the Participating Provider has agreed to the release of all Enrollees. The Participating Provider will also be notified that it can receive a lower distribution if it elects not to provide a release, but that the Liquidator will seek to bar any collection by the Provider against Enrollees. The form of notice shall be substantially in the form of Exhibit B.

H. Approval of Administrative Claims Procedures

28. The Liquidator also seeks approval of procedures for the payment of remaining

Class 1 administrative Claims. The Liquidator proposes to pay the CID Allowed Claim at the time this case is closed and proposes to pay other claimants holding unpaid administrative Claims in the ordinary course upon their submission of a request for such payment if such requests are made prior to the date on which the Liquidator files a motion for an order discharging the Liquidator and closing this case. The Liquidator shall have the right to object to any administrative Claim in a hearing for determination held by the Court.

29. The Liquidator proposes to pay the invoices of the Liquidator's counsel and other professionals (collectively, the "Professionals") received in the ordinary course, as she deems appropriate, from the reserve fund established to pay such invoices and other Class 1 administrative Claims.

I. Destruction of Records

30. Upon completion of the final distribution to claimants, the Liquidator will move for an order approving the dissolution of Suburban and authorizing the Liquidator to retain and/or destroy Suburban's records in accordance with Conn. Gen. Stat. § 38a-950 and other applicable law. The Liquidator hereby requests authorization from this Court to maintain a reserve fund for the payment of reasonable charges for storage and destruction of Suburban's records as an administrative Claim.

J. Notice

31. The Liquidator proposes to give notice of this Motion to creditors by sending them a notice of the hearing on this Motion and a letter in the form attached hereto as Exhibit C or

Exhibit D by first class United States mail postage prepaid. Due to the large number of notices to be served, the Liquidator seeks approval of the form and manner of such notice prior to the service thereof and prior to the hearing on this Motion.

K. Injunctions

32. In connection with the distributions made hereunder, the Liquidator seeks approval from the Court of the injunctions described herein in furtherance of the Liquidation Act's goal of resolving receivership cases with finality. Accordingly, the Liquidator seeks the following injunctions:

A. Upon entry in the Court's docket, the Order approving this Motion shall be binding upon and inure to the benefit of (i) the Liquidator and her respective successors and assigns, (ii) the claimants and their respective successors and assigns (whether or not such claimants have filed, or are deemed to have filed proofs of claim), (iii) any other individual, partnership, corporation, governmental unit, estate, trust or limited liability company giving, acquiring, or receiving property under the Order, and (iv) any other entity that has notice of this liquidation proceeding.

B. Any entity accepting any distributions or rights pursuant to the Order shall be deemed and conclusively presumed to discharge and release Suburban and the Liquidator, as well as her agents, employees, members, attorneys, accountants, financial advisors and representatives (the "Released Parties") from its Claims and any other cause of action based on the same subject matter as the Claims. In connection with such release and discharge, any entity accepting any distributions or rights pursuant to the Order shall be permanently stayed, restrained

and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering, or receiving payments or any other recovery with respect to such Claims against Suburban, the Liquidator and the Released Parties.

C. Any Participating Provider that accepts an Enhanced Distribution shall be permanently stayed, restrained, and enjoined from taking action for the purpose of directly or indirectly collecting, recovering, or receiving payments or recovery from any Enrollee of Suburban and such Enrollee's family members, guardians, estates, heirs, administrators, executors and assigns with respect to services provided to such Enrollee while such Enrollee was enrolled with Suburban whether or not such services were or could have been the subject of a Claim against Suburban.

D. All entities which have held, hold or may in the future hold any Claims against the Suburban estate (whether or not such entity has asserted such Claim by filing a proof of claim and whether or not such Claim was allowed, disallowed or not considered) shall be permanently stayed, restrained and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering, or receiving payments or any other recovery with respect to such Claim against any entity which receives a distribution under the Order.

WHEREFORE, the Liquidator prays as follows:

That this Court issue an Order, granting this Motion, approving the Release Agreement, approving the Claims Report, allowing the CID Allowed Claim, authorizing the Liquidator to pay administrative claims, allowing and disallowing the Claims of Providers to the extent set forth in

the Claims Report, authorizing the Liquidator to make distributions from the estate in accordance with the Liquidation Act and the orders of this Court, authorizing and approving the Enhanced Distribution, approving reserves for costs associated with the retention and/or destruction of Suburban's records, approving the form of notice of the filing of the Motion and proposed Order as reasonable, adequate and proper and granting the injunctions set forth in this Motion, and granting such other and further relief to the Liquidator as it deems just and proper.

DATED at Hartford, Connecticut,
this 2nd day of April 2004.

Exhibit B

Dear Provider,

We are pleased to advise you that we have concluded the liquidation of Suburban Health Plan, Inc. Enclosed herewith is a check in the amount of $_____. This sum represents a single and final distribution of approximately twenty percent of the allowed amount of all of your claims.

The deposit or negotiation of this check will constitute your acceptance of this amount as a full and final settlement of all amounts owed by Suburban to you and all amounts that are owed by Suburban Subscribers and Enrollees to you. By your acceptance of this check, you are agreeing that you will not take any action against any Subscriber and Enrollee of Suburban or any Subscriber's or Enrollee's family members, guardians, estate, heirs, administrators, executors and assigns with respect to services provided to an individual who was enrolled with Suburban at the time such services were rendered, whether or not such services were or could have been the subject of a claim against Suburban. As consideration for the foregoing agreement, the Connecticut Insurance Department has contributed a portion of its claim to enhance your recovery by approximately 15%.

If you do not wish to accept the terms of the foregoing agreement, please return the check to the address set forth above. A check in the amount of approximately 85% of the enclosed check will be issued to you. However, please be advised that the Liquidator believes that any action against Subscribers and Enrollees by you would be barred by Conn. Gen. Stat. §.38a-193(c), and the Liquidator intends to take action to enforce applicable Connecticut law.

The check will expire in sixty days and the bank on which it is drawn has been instructed to dishonor checks presented after that date.

We appreciate your patience and support in the course of this complex and difficult liquidation.

Very truly yours,

Susan F. Cogswell, Liquidator of Suburban
Health Plan, Inc.

Exhibit C

Dear Provider

We are pleased to advise you that we are in the final stages of liquidating Suburban Health Plan, Inc. and should be able to make a distribution on your claim in the coming months. We expect that the distribution will be approximately twenty percent of your allowed claims. As part of the process of winding up the affairs of the estate, the Liquidator is required to file a report of claims that the Liquidator recommends for allowance with the Connecticut Superior Court.

In late 1999 and early 2000, we undertook the process of determining the allowed amount of all claims against Suburban by sending to you an explanation of benefits that indicated the amounts shown on Suburban's books and records as being owed to you. You were given an opportunity to file an appeal if you disagreed with the amount shown. All timely appeals were resolved by the Liquidator and her staff, and Suburban's books and records were modified accordingly. It is our intention to recommend to the Court that your claims be allowed in the aggregate amount of $_____, as reflected on Suburban's books and records.

A hearing on the report will be held at the time and place set forth on the enclosed Notice of Hearing. If you believe that the Liquidator has incorrectly stated the amount of your claims as determined through the appeal process, you must file a written objection with the Court and counsel for the Liquidator in accordance with the enclosed Notice of Hearing. Any objection must include copies of the documents relating to the explanations of benefits sent to you by the Liquidator as well as any correspondence and documents exchanged by you and the Liquidator in the course of any appeal. In addition, you must submit copies of documents supporting the amount of the claim that you believe that you are owed. You should also be prepared to present testimony at the hearing at the time and place specified in the Notice of Hearing.

In the event that you do not contest the amount of your claims as shown above, you do not need to respond to the report of claims nor attend the hearing. Also, you will not need to take any further action in order to ensure that you receive your distribution.

Very truly yours,

Susan F. Cogswell, Liquidator of
Suburban Health Plan, Inc.

Exhibit D

Dear Creditor:

By this letter, we wish to advise you that we are in the final stages of liquidating Suburban Health Plan, Inc. and will be making distributions to creditors in the coming months. The distributions to be made will be according to the priorities established under Connecticut law (Conn. Gen. Stat. §.38a-944). Under Connecticut law, expenses of administration are paid first and then the claims of Providers for actual health services are paid. All other claims are junior in priority to these classes. The claims of network Providers are likely to be paid at the rate of approximately twenty percent. Accordingly, there will not be any distribution to creditors in lower classes. We have reviewed your proof of claim No. _____ filed with the Liquidator on _____. Based on our review, the proof of claim asserts a claim with a priority junior to that of Providers and accordingly it will not receive a distribution in the case.

As part of the process of winding up the affairs of the estate, the Liquidator has filed a report of claims that the Liquidator recommends for allowance with the Connecticut Superior Court and has also filed a motion for approval of the claims report and authorization to distribute the estate. A Notice of Hearing with respect to the motion is enclosed.

If you believe that the Liquidator has incorrectly characterized the nature of your claim, you must file a written objection with the Court and counsel for the Liquidator in accordance with the enclosed Notice of Hearing. Any objection must include copies of the documents that evidence that your claim relates to an expense of administering the estate or relates to actual services provided to a Suburban Subscriber or Enrollee. In addition, you must submit copies of documents supporting the amount of the claim that you believe that you are owed. You should also be prepared to present testimony at the hearing at the time and place specified in the Notice of Hearing.

Very truly yours,

Susan F. Cogswell, Liquidator of
Suburban Health Plan, Inc.
