Re: Docket 272 – Singer Substation Laydown Area

Dear Chairman Tait:

Pursuant to the Siting Council's June 9, 2005 letter concerning the Singer Substation Development and Management Plan, The United Illuminating Company's ("UI") notifies the Council that the construction laydown area for the Singer Substation will be located at the parcel of land located in the City of Bridgeport, formerly known as "Marina Apartments", which parcel is bounded and described as follows:

Northerly on Railroad Avenue, easterly on Main Street, southerly on Whiting Street and westerly on Broad Street.

The laydown area is shown on the attached map.

Please call me if you have any questions concerning this matter.

Very truly yours,

Bruce L. McDermott
