Dear Chairman Caruso:

Pursuant to The United Illuminating Company's ("UI") Development and Management Plan for the new Singer Substation, approved by the Connecticut Siting Council on June 8, 2005, UI hereby notifies the Council that construction of the substation at 180 Main Street in Bridgeport and the 115-kV generation interconnections will begin on or about September 19, 2006. Should this schedule change, UI will notify the Council.

Please call me at 203.498.4340 if you have any questions concerning this matter.

Very truly yours,

Bruce L. McDermott
