Re: Docket 272 - The Connecticut Light and Power Company and The United Illuminating Company Application for a Certificate of Environmental Compatibility and Public Need for the Construction of a New 345-kV Electric Transmission Line and Associated Facilities Between Scovill Rock Switching Station in Middletown and Norwalk Substation in Norwalk, Connecticut

Dear Chairman Katz:

Pursuant to the Connecticut Siting Council's ("Council") June 9, 2005 letter concerning the Singer Substation Development and Management Plan, The United Illuminating Company submits the landscape plan for the substation for the Council's approval. Also enclosed is a letter dated September 8, 2005 from the South End Neighborhood Council approving the plan.

If you have any questions concerning this letter, please call Bruce McDermott at 203.498.4340.

Very truly yours,

Cecile M. Fraser

Dear Ms. Crowley:

Re: Bridgeport Sub-station

The Bridgeport South End Neighborhood Council has reviewed the landscaping plan and the architectural wall which fronts on Main Street for the proposed new electric sub-station.

The Council approves the plans submitted in your E-mail of July 20, 2005.

The Council would also like to thank you and UI for the courtesy extended to our neighborhood for accommodating our input, comments and suggestions.

Sincerely,
