Re. DOCKET NO. 346 Implementation of Section 8 and 54 of Public Act No. 07-242 An Act Concerning Electricity and Energy Efficiency

Dear Chairman Caruso:

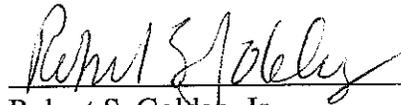

Please be informed that The Connecticut Light & Power Company ("CL&P") will not be filing any report or pre-filed testimony in this Docket. At this time, it is not possible to determine which facilities would qualify as facilities required for reliability of electric supply to critical national defense and homeland security infrastructure.

CL&P waives any requirement there may be to hold a hearing.

Respectfully submitted,

APPLICANT,
THE CONNECTICUT LIGHT AND
POWER COMPANY
