**CONNECTICUT  
SITING COUNCIL  
MOTION OF THE CONNECTICUT LIGHT AND POWER COMPANY  
FOR PARTY STATUS**

The Connecticut Light and Power Company ("CL&P") hereby moves to be designated as a party in this proceeding. In support of this motion, CL&P states as follows:

1. CL&P is a Connecticut corporation, with its principal office at 107 Selden Street, Berlin, Connecticut. CL&P is a public service company and an electric distribution service company as defined in Connecticut General Statutes ("Conn. Gen. Stat.") §16-1.
2. CL&P provides electric transmission and distribution services to 1.1 million customers throughout the State of Connecticut.
3. Conn. Gen. Stat. §16-50r(a) requires CL&P to file a report on it forecast of loads and resources and thereafter the Connecticut Siting Council ("CSC") is to hold a hearing on CL&P's report. CL&P's participation in this docket will greatly assist the CSC in its preparation of its own report addressing the ten year forecast of Connecticut loads and resources.
4. CL&P seeks full rights as a party in this proceeding, including the rights to participate in the CSC's hearing, introduce evidence, present and cross-examine witnesses and submit written argument.

5. CL&P's participation in this proceeding is in the public interest, and good cause exists to grant this motion. CL&P's participation will promote the interests of justice and will not impair the orderly conduct of the proceeding.

6. Correspondence and other communications in regard to this matter should be served upon the following persons:
