REQUEST FOR PARTY STATUS

To: Mr. S. Derek Phelps
Executive Director
Connecticut Siting Council
Ten Franklin Square
New Britain, CT 06051

Lake Road Generating Company, L.P. ("Lake Road") of 56 Alexander Parkway, Dayville, Connecticut 06241, hereby requests that the Connecticut Siting Council ("Siting Council") grant it party status in the proceeding regarding Docket No. F-2008, which relates to the Siting Council's review of the ten-year forecast of Connecticut's electric loads and resources. This request is made pursuant to Section 16-50n and Section 4-177a of the Connecticut General Statutes and Section 16-50j-14 of the Regulations of Connecticut State Agencies.

Lake Road owns and operates a nominally-rated 792 megawatt electric generating facility in Killingly, Connecticut consisting of three combined cycle gas turbine units that

operate primarily on natural gas, with the capability to use distillate fuel oil as an alternative fuel in accordance with Air Permits issued by the Connecticut Department of Environmental Protection and the Siting Council's Certificate of Environmental Compatibility and Public Need.

Lake Road is requesting party status at the request of the Siting Council and so that it may monitor the proceedings by receiving filings by the Siting Council and any other parties and intervenors. Lake Road's participation in this proceeding will assist the Siting Council in resolving the issues of the case and will not impair the orderly conduct of the proceedings.

Lake Road respectfully request that copies of all correspondence relating to this docket be sent to the undersigned and to:

Robert B. Haley
