Re: **Petitions for Declaratory Rulings – Construction Deadlines**

During a meeting of the Connecticut Siting Council (Council) held on May 28, 2015, the Council voted to incorporate a three year deadline date for construction of all facilities and modifications to existing facilities approved by a petition for a declaratory ruling.

Therefore, the following conditions will apply to all approved petitions for declaratory rulings:

- Unless otherwise approved by the Council, if the facility authorized herein is not fully constructed within three years from the date of the mailing of the Council's decision, this decision shall be void, and the facility owner/operator shall dismantle the facility and remove all associated equipment or reapply for any continued or new use to the Council before any such use is made. The time between the filing and resolution of any appeals of the Council's decision shall not be counted in calculating this deadline. Authority to monitor and modify this schedule, as necessary, is delegated to the Executive Director. The facility owner/operator shall provide written notice to the Executive Director of any schedule changes as soon as is practicable.
- Any request for extension of the time period to fully construct the facility shall be filed with the Council not later than 60 days prior to the expiration date of this decision and shall be served on all parties and intervenors, if applicable, and the Town of XX.

Thank you.
