RE: **PETITION NO. 1150** – SolarCity Corporation petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction and operation of a 3.1 Megawatt Community Shared Solar Photovoltaic Electric Generating facility located on Brush Hill Road in Bozrah, Connecticut.

Dear Attorney Kohler:

The Connecticut Siting Council (Council) is in receipt of the Town of Bozrah's request for an extension of time to submit comments for the above-referenced petition dated May 12, 2015.

The Council hereby grants the request for an extension of time to May 20, 2015.

Yours very truly,

Melanie Bachman
Acting Executive Director

Re: PETITION NO. 1150 – *SolarCity Corporation petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction and operation of a 3.1 Megawatt Community Shared Solar Photovoltaic Electric Generating facility located on Brush Hill Road in Bozrah, Connecticut.*

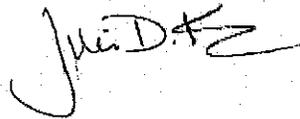

Dear Attorney Bachman,

The Town wishes to file comments regarding the above referenced Petition but is unable to do so by the current deadline of May 13, 2015, as its Planning and Zoning Commission doesn't meet until May 14, 2015. (I am advised by First Selectman Ballinger that he was told by a Siting Council representative during the field review that the Siting Council would not take action on this Petition until the Town filed its comments, if it intended to do so.)

The Town of Bozrah respectfully requests a one week extension of time in which to file the consolidated comments of its Planning and Zoning Commission and Inland Wetlands and Watercourse Commission.

Please do not hesitate to let me know if you have any questions.

Very truly yours,

Julie D. Kohler
