RE: **PETITION NO. 1154** – Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed modifications to the existing Haddam Substation and associated 345-kV and 115-kV transmission lines located at 1384 Saybrook Road, Haddam, Connecticut.

Dear Ms. Shanley:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated October 28, 2016 regarding the changes to work hours for the Petition for the above-referenced project that was approved by the Council on June 11, 2015.

Consistent with the page 5 of the Petition, your request to perform work between 6:00 am to 10:00 p.m. on Saturday, October 29, 2016 is hereby approved.

This approval applies only to the request for changes to work hours dated October 28, 2016. Any significant changes to the Petition require advance Council notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman
Acting Executive Director

Subject: PET 1080 Haddam Substation Saturday Work Hours

Dear Melanie:

This is to inform you that Eversource will have crew on site at the Haddam Substation this Saturday, October 29, from 6:00 a.m. to 10:00 p.m. due to a rescheduled outage for wiring and testing within the control house. We have briefed the town and informed the abutters.

Please contact me with any questions.

Have a nice day,
