Petition # 1181; Brightfields Development, LLC, Stott Avenue, Norwich, CT

**Chairman Stein:**

I would request that this correspondence be made a part of the public record, relative to the application by Brightfields Development, LLC ; Petition # 1181.

The City of Norwich and Norwich Public Utilities has a proud history of supporting alternative energy sources and actively seeking opportunities to explore energy partnerships throughout the Southeastern Connecticut region. The proposed solar installation on Stott Avenue and Plain Hill Road, is another chance for the City and NDPU to further that mission.

Our 2013 Plan of Conservation and Development encourages and supports the goal of exploring alternative energy options. We also work very hard at improving and expanding the infrastructure required to meet not only our community's needs, but the region as well. This is an exciting opportunity and we look forward to working with Brightfields Development towards the successful completion of the project.

Sincerely,

*Peter W. Davis*
