Re: Petition 1184; Response to Incomplete Letter

Dear Ms. Bachman:

I am writing in response to your letter, dated September 9, 2015, informing me that Beacon Falls Energy Project, LLC's ("BFEP") petition for declaratory ruling in connection with the proposed construction and development of a 63.3 MW fuel cell generating project located on Lopus Road in Beacon Falls, Connecticut, did not contain a proof of service of notice of the petition upon appropriate municipal officials and government agencies in accordance with the General Statutes of Connecticut and the Regulations of Connecticut State Agencies.

On August 27, 2015, BFEP mailed notice of its petition to the appropriate municipal officials and government agencies, with the exceptions of the Connecticut Department of Labor and the Connecticut Department of Consumer Protection. Due to a clerical error, notice was not mailed to those Departments on that date; it was mailed to both of those Departments on September 10, 2015. In addition, on September 1, 2015, BFEP sent a copy of the petition to the Honorable Christopher J. Bielik, First Selectman of Beacon Falls. A certification of service listing the officials and agencies to whom notice was mailed is enclosed with this letter.

The petition should now be deemed complete. If that is incorrect, or if you have any questions, please contact me at your convenience.

Respectfully submitted,

Lee D. Hoffman
