**Re: Notice of Initiation of Construction Activities
Norwich Landfills, 82 Rodgers Road
Norwich, Connecticut
Application No: 201507768**

Dear Mr. McKeegan,

Weston & Sampson Engineers, Inc. (Weston & Sampson) on behalf of SolarCity Corporation and the City of Norwich would like to inform the Department that construction activities associated with the solar photovoltaic project at the landfills are planned to begin on site on or after **March 30, 2016**. This notification is being submitted in accordance with condition number 10 of the Landfill Disruption Authorization issued on February 19, 2016 that requires the Licensee notify the Department at least five business days prior to the initiation of construction activities.

SolarCity has retained the services of Weston & Sampson to document the disruption activities. Should you have any concerns regarding the construction as it relates to the Disruption Authorization, please do not hesitate to contact Weston & Sampson directly at our office at (860) 513-1473. Alternatively you may also contact Mr. Paul Platt, Operations Manager of SolarCity at (914) 606-2252.

Sincerely

Weston & Sampson Engineers, Inc.
