REQUEST FOR INTERVENOR STATUS

The United Illuminating Company (“UI”) hereby requests that the Connecticut Siting Council (“Council”) grant party status to UI in the above-captioned proceeding regarding Petition No. 1128. This request is made pursuant to Section 4-177a of the Connecticut General Statutes and Section 16-50j-14 of the Regulations of Connecticut State Agencies. In support of this request, UI states the following:

1. UI is a specially chartered Connecticut Corporation with offices at 180 Marsh Hill Road in Orange, Connecticut, and a public service company as defined in § 16-1 of the Connecticut General Statutes.

2. UI operates and maintains electric generation, transmission and distribution facilities throughout the State of Connecticut, providing service to approximately 325,000 residential, commercial, and industrial customers in the greater New Haven and Bridgeport areas.

3. UI is affected by this proceeding in that UI is an abutter to the proposed project and UI will play a role in the project’s interconnection.

UI respectfully requests intervenor status in this proceeding in order to monitor its progress through the receipt of filings and notices from the Council, the petitioner and other parties and intervenors. As necessary, UI will participate in hearings before the Council by filing written testimony, conducting cross-examination and filing written comments.

UI respectfully requests that copies of all correspondence relating to this docket be sent to:
